**BISS AM GCH SEU(U)CH NUCH SE VCH Double Coat`S Christmas Joy, CGC**  
**Best of Breed - 2011 American Chesapeake Club National Specialty Show,**

**A Dream That Came True**  
*Comments from the Breeders/Owners of the 2011 ACC NSS BOB Dog*

We have always dreamed of showing one of our own Chessies at the ACC Specialty. So, we decided to go to USA this year and bring our male, SEU(U)CH NUCH SE VCH Double Coat`S Christmas Joy, with us and show him at the Specialty in Carlisle, PA in September. We spoke to Joy's father's breeder, Jane Pappler of Redlion Kennel, and she asked us if he could come earlier than September.

With Jane Pappler handling, it took him nine shows to receive his American CH title. Then, he got his GRAND CHAMPION title, one Group 3, and several BOB's with Diane Baker handling. Also, he has been picked in the group several times without being placed.

Then, it was time for the big event, the ACC Specialty in Carlisle, PA with an entry of more than 400. With the 101 Champions and Grand Champions, it was the biggest entry so far in 93 years. Diane Baker handled Joy at the show. Something you only dream of as breeder and owner, to have a dog that wins BEST IN SHOW in his home country's breed Specialty, happened to us. Joy now has the title BISS AM GCH SEU(U)CH NUCH SE VCH Double Coat`S Christmas Joy, CGC. According to an ACC Historian, Dyane Baldwin, Joy is the first Chesapeake from outside the USA, to win an ACC Specialty.

This was absolutely a fantastic thing to experience! We also had the

chance to see some of Joy's offspring and all of them look very promising and seem to have inherited their father's lovely temperament.

A fantastic dream that came true for this little Chesapeake Bay Retriever kennel, Double Coat's, in Sweden. Thanks a lot to Jane and Diane Kaj, Linnéa & Catharina Lindstrom

## Show Chairperson's Report

It all started 2½ years ago. Where did the time go? Then it was here! None of this could have been possible without the wonderful, hard-working committees and volunteers. Without them there would have been no NSS, trophies, judges, banquet or events.

The weather kept making us all crazy as we watched the weather channel all week. In the end, the weather did not ruin our NSS. We are as resilient as our breed. We had a little of everything: sun, clouds, rain, and good old east coast humidity. We managed to make it through the dog classes and the deluge by moving under the big tent and moving the photo booth twice.

It seemed like everybody was having a great time including our obedience teams which were, as always, great fun and took us to the Land of Oz. Chris Beste was Dorothy with the best red shoes I have ever seen.

I was amazed at the number of foreign guests we had from all over the world including Europe and New Zealand. It was great to meet and see all of them. As it turned out, our Best in Specialty dog this year was a lovely dog, Joy, from Sweden and the first international dog to

win an American Chesapeake NSS. Congratulations go to Catharina and Kaj Lindstrom.

It was great that we were able to have all events this year. Thanks to David Steinhoff and Doreen Palmer for their work on Tracking. Karen Shaffer and Dawn Logan pulled off the agility trial of the century. Obedience and Rally Chairs Sue Cone and Betsy Humer did an outstanding job and had a fantastic entry. Jane Pappler, along with Ginny and Ron Reed had a huge entry for the WD/X/Q.

I want to thank our committees of volunteers. Marty Smith and Stacy George deserve our thanks for the exquisite custom-made trophies. Chris Rosenberg made sure that all of our Challenge Trophies made it to the NSS. Gina Downin, my NSS Assistant, worked with me for 2+ years and made the Triple Crown Versatility Challenge a great event. Jane Pappler did a fantastic job on our NSS website and the 4-6 Month Puppy Class which was a huge hit! Susie Royer handled our advertising. Maxine Lundberg provided an amazing assortment of NSS merchandise. Mitchel Horowitz handled RV Reservations. Ellie Domek worked and listened to me for 3 years. Meghan Conner

Timmerman's Handling Seminar raised \$900 for rescue. The Auction Committee (Donna Cronin, Deb Rodden, Kelly Case and Jimmy Stewart our auctioneer) raised \$10,000, \$1,200 of which went to Rescue. A warm thanks to everyone who donated all the wonderful items to the auctions. Renee Wolfe and Linda Cayton stuffed Welcome Bags and staffed the fabulous Hospitality Room. People were raving about the hospitality room and Renee's salmon dip. Huge thanks to Molly Barker who arrived early from England to give me a hand. Molly also kept me calm and worked with Maxine on the clothing.

Our evening events were as successful as our day events. Our thanks go out to Lois Wida, Anne Law and their families for the meals and decorations. The Carnival Night was a huge success. Dyane Baldwin shared the Preliminary Illustrated Guide and Betsy Humer arranged the Breed and Judge's Seminars. Our premier Junior Art Display was a big hit thanks to Helen Wiacek. It was a pleasure working with everyone to make this NSS such a wonderful success.

Congratulations to all the winners and qualifiers. Let's all look forward to Texas in 2012.

Joanne Silver, NSS Show Chair

### **Reflections from Mr. Elliott Weiss – Judge for Dogs and Best of Breed**

It is always a great learning experience to judge at a National Specialty. It allows one to feel the pulse of a breed, and the Chesapeake pulse is strong. I will chastise you all for not exhibiting more at all breed shows and allowing the rest of the dog world to experience that for themselves.

Friday afternoon started out bleak and wet. It did get a bit better as the afternoon progressed and was fine by the time the Winners Class entered the ring. It pleased me to see the consistency of type in the Winners Class. All were what I consider quality working retrievers. They all had the strength to break ice and were of correct size to fit in a shallow duck boat.

The Winners Dog was, Redlion's Hay Stack, who came out of the bred by exhibitor class. Although not quite two and still immature, I was impressed with him. He had for me the correct make and shape, and was of proper size and strength. He has a wonderful head and expression, with the right amount of length and strength to it. I will report that too large a percentage of the exhibits had heads that left me cold. Many lacked a pleasing expression. Also, a great many, to my eye, were too short and round in appearance.

Saturday afternoon the weather cooperated and the rains stopped. After I worked my way down to the final cut, I stood back, looked and was very pleased. All the exhibits standing before me were of high quality and would be very useful in any breeding program.

Best of Breed was an almost four year old dog, GCH. Double Coat's Christmas Joy. This dog possesses all the virtues needed to be a good market hunter. He is good size, proper make and shape and shows a combination of strength and athleticism. He has a good head and proper expression along with a wonderful coat.

Best of Opposite Sex was a young bitch not yet two, CH. Quailridge's Take It To The Limit. This young girl makes a wonderful picture; so much so that it was hard to examine her parts as my eye was drawn to the overall. She has a wonderful outline and a beautiful silhouette.

It is a pleasure to find a breed with some depth to its gene pool. All you breeders should get a pat on the back. Thank you for allowing me the privilege of judging this National.

EBW

### **A Few Words from Mr. Richard Hilderman – Judge for Bitches**

Thank you for having me judge your 2011 National Specialty. I was blessed with a beautiful day, good sportsmanship and a fine entry. I would like to offer some general overall impressions of the day. First, it was obvious that these were Chessies. Congratulations to the breeders for preserving the breed. Fronts were good with ample chest and single tracking movement which could keep up in the field. Rears on some of the bitches were closer than I like and resulted in a cowhock look. Coats were acceptable for the weather in terms of length and thickness of the outer coat and density of the undercoat. Heads were right on to the standard with good bites. Winners bitch came from a strong and large Bred by Exhibitor class. She was of correct size with a good head piece and coat. She had good movement coming/going and from the side. I was very impressed with your Veteran Classes. The strength of these classes demonstrated to me that the breeders have developed a breed that can "hold it together." I was particularly impressed with the camaraderie of the exhibitors. I heard clapping and cheering for each exhibit-not just a select few. You should be commended for all your efforts.

Good luck in Texas in 2012.

Richard Hilderman

### **Comments from Mrs. Angie Cox – Judge for 4-6 Month Puppy Class & Sweepstakes**

It was a great honor and wonderful opportunity to judge the large Sweepstakes entry at our 2011 National Specialty.

The 4-6 month puppy classes were so much fun! Thanks to Jane Pappeler, et al. for quickly getting this first time ACC NSS event organized! My choice for best in this event was a little deadgrass bitch that shows lots of promise. I loved her typiness and movement.

My choice for Best in Sweeps came from the 15-18 month dog class. He has excellent outline both standing and moving, and he was in very good coat as well. His movement down and back and from the side was effortless and steady. He is well proportioned and has a pleasing head that is not overdone with an intelligent expression. My BOSS winner came from the 15-18 month bitch class. She is a lovely, well balanced bitch with outstanding movement.

Judging the veterans classes was heartwarming! My choice for Best in Veteran Sweepstakes was the winner of the 10 years and older dog

class. He was presented in excellent condition and coat. He has a beautiful outline and moved with power and balance. His proportions and characteristics from head to tail are unmistakably Chesapeake. My Best of Opposite Sex in Veteran Sweepstakes came from the 8 years and under 10 years bitch class. She was also presented in excellent coat – one of the best examples of correct coat I have seen. She moves with grace and balance and displays femininity, yet plenty of strength.

Overall, I was very pleased with the quality of all the exhibits. Coats continue to improve, although the hot summer and early fall date for our show caught some out of coat. I loved that I was able to examine every dog fully without fuss. I saw no shyness or other negative temperament tendencies. That says a lot for 101 plus entries! I did see some big ears and some tails carried high over the back or too much curl in them. We have room for improvement in those areas.

I would like to thank all who exhibited Sweepstakes entries. I thoroughly enjoyed my experience.

Respectfully, Angie Cox

## Obedience and Rally Chairperson's Report

Obedience and Rally had record entries topping the highest entries since 2005 in Frederick, MD.

When there were 80 entries in obedience and 65 in Rally. This year there were 83 entries plus 4 Teams in Obedience and 73 entries plus 2 Teams in Rally. Despite forecast of showers, it was a warm, sunny day for all. High in Trial (197 ½ Open B) and High-Combined (391 ½ - 197 ½ + 194) were awarded to Sue Cone with Longmeadow Susquehanna, UDX3, OM3. The Mildred Buchholz Challenge Trophy (breeder of record of High in Trial) went to Laura Chambers. The new challenge trophy for Novice B - CH Marnetts Grant My Wish, JH, UDX, RE Memorial Trophy donated by Annette Monugian – was awarded to Dianna Blakey with CH Hardwoods Chesavieda Alligator Alley – 194 ½ and 1<sup>st</sup> place.

There were qualifying scores in every obedience class – including Utility A! We had eight Veterans showing and three Braces. The highlights of the day were the Team performances. The winning team was dressed in “traditional” black Amish hats and suspenders with brightly colored T-shirts, and dark pants. Doreen Palmer (Zephyr), Lynda Barber-Wiltse (Indy), Rupe Humer (Teagie) and Jan Estes (Jasper) made up the winning team. However, the Wizard of Oz team stole the show! Dorothy, (Chris Beste) was showing a dog who kept staring and watching Chris and looking at the hem of the dress he was wearing. The dog could just not figure it out! Of course, there was a Scarecrow, the Cowardly Lion and the Tin Man. Costumes were created by Michelle Dunn – Fantastic! Other team-mates were Jill Conroy and Jess Seebohm.

The Beginner Novice Classes were a rousing success with lots of entries in the Beg Novice B Class.

Beginner Novice A had a 100% qualifying rate. Beginner Novice B's rate was 14 of 15 dogs – 93%. There were many exhibitors showing in these classes for the first time.

In Rally there were many, many qualifiers with new exhibitors trying the sport for the first time with success. Once entries closed and we knew the huge numbers, an additional order was made for more qualifying key chains. Results for Rally are listed below in detail but here are the qualifying “statistics”.

- Novice A - 100%
- Novice B – 24 of 26
- Advanced A – 100%
- Advanced B – 10 of 16
- Excellent A – 100%
- Excellent B – 13 of 14

The day would not have been a success if not for all our volunteer stewards. There were some who devoted the entire day to stewarding in obedience and rally, and those who managed to show in a class or two and also acted as a steward.

We want to thank all the donors to the obedience & rally trophy fund. There were trophies in every class for 1st through 4th. In addition, there were rosettes and key chains in all classes for every placement and qualifiers earning a “leg”. Our judges were wonderful - patient and kind!!

Betsy H. Humer and Sue Cone, Rally and Obedience Chairs

## OBEDIENCE RESULTS

**Judges: Mr. John Landis and Ms. Catherine Thompson**

**Highest Scoring Dog In Regular Classes** - 197 ½ - LONGMEADOW SUSQUEHANNA, UDX3, OM3, owned by Susan K. Cone & Paul Herzog, trained and handled by Sue, bred by Laura Herzog. I was thrilled that my "party girl" Hannah, put it all together at the NSS and showed how brilliant she can be. "Inconsistency" is her middle name, and I'm never sure which Hannah I'm going to have in the ring. We both love training and showing but I wish I could find the key, so we get that brilliance together more often.

## Agility Chairmen's Report

The agility trial went very well. We had 330 runs, which is the maximum runs a single judge can judge in a day. Who would have thought a Wednesday trial would fill? Thank you to all the volunteers (many who had never helped with agility before) who spent their time with us and made it a successful trial!

There were a total of 33 Chesapeakes entered. Total they had 20 qualifying runs: 4 in FAST, 8 in Standard Agility, and 8 in Jumpers with Weaves. Of those 20 qualifying runs, 10 were with first place finishes, 6 were second place finishes and 1 was a fourth place finish. Congratulations to all who qualified!

## WD/WDX/WDQ Stake

Sept 25, 2011

**Chairman: Jane Pappler, Ron & Ginny Reed**

Three days at the Breed Show, then up at 5 am to post signs for the WD at the PA Gamelands. My co-chairman Ron and Ginny Reed brought a trailer full of equipment, posted signs and met with the judges before 7 am. Many contestants were even there before us. Gina Downin's Mom, Barbara brought coffee and homemade sweet rolls for people to nibble on while watching the WD. Such a sweet lady she is for worrying about everyone.

The WD started with a test dog running, then questions answered by our judges. The judges were patient and helpful to handlers, even giving tips to some of the novices. As soon as you ran the land work, if your dog completed successfully, you took your score sheet and went to the water tests which were already setup waiting. This made things run quickly with no hold ups as we had a large entry. Ron Reed wore chest waders standing in the pond in 4 foot high water to make sure the singles he threw would not cause the dogs to cheat the bank edge. What a guy! WD - 30 dogs ran, 18 passed.

The WDX was a land double, then a water double. After completing the land you went immediately to the water marks. The dogs here weren't as successful with a few uncontrolled breaks and a few were unsure about picking up a crippled duck. WDX - 14 starters, 2 completions.

Then the WDQ...Wow... I was glad there were people there to watch these dogs. The work was straightforward and the dogs behaved beautifully - Obedient, alert and eager, good markers and oh, the handling on the blinds, (Or lack thereof) some dogs lined the blind or had just 1 or 2 whistles. In all of the WDQ's that I've been around, this had the best dog work that I have seen by all the dogs. WDQ - 13 starters, 12 completed!! Congratulations to you and your great working dogs.

Thanks to NJ RD Alan Corson and Linda who helped/marshal at the WD water work

# 2011 National Specialty

along with Ginny Reed. Ron Reed ran everywhere and did everything. Gina Downin marshaled the land for all the stakes. Volunteer bird throwers and baggers were John Wiacek, Dawn and Gary Boyce, Joe Quinn, and Gene Byrd. Many thanks to all the extra workers who stepped up when we needed a thrower or a "go-for". I'm sorry I don't have all your names but without you the tests would not have worked so smoothly. I sent the Swedish people to pick-up the worker's lunches. They got lost but found their way back and no one went hungry. I appreciate everyone's commitment to train, run your dogs and to help at the event in order to make it successful and enjoyable for everyone. A marked copy of the WD/X/Q catalogue is on the ACC Website on the 2011 PA Show Specialty page.

## The 2011 Triple Crown Versatility Challenge

The 2011 NSS Committee challenged attendees at the National Show Specialty to showcase the versatility of our breed by placing/qualifying in a minimum of three classes across at least two different events during their week in Carlisle. Thirty four dogs and their handlers stepped up to the challenge and, we are proud to announce that 20 dogs actually met the challenge; they include two 10 month-old littermates and three veterans. Lynda Barber-Wiltse's Inde, the oldest veteran, earned an outstanding 7 legs toward the Triple Crown! Our hats are off to these talented dogs and their committed handlers! Start training now for the 2012 NSS Versatility Challenge!

## The End of an Era

Hearty Roo Roos of thanks from all the Safe Harbor Chessies for the years of support from all our ACC friends. Twenty three years and over 1600 fine Chesapeake later and we sadly have to slow down. I can't say "quit" because I cannot yet envision going thru the next years and not lending a hand to a needy Big Brown Dog at times.

By now most have read about our slowing down on our website or our snail mailing. However, I want to be sure all in our Chessie community receive our heartfelt thanks for your generous support all these years – whether individuals, club officials, and especially ACCCT, regardless of whether financial, hands-on, referrals, or a few kind words of support. Like our beloved ageing dogs, we cannot continue to do all we did and want to still do because of various health issues. Then there is the constant burden of raising funds to properly support our rescue habit. Without the generous support of the ACCCT the past few years, we just could not have continued this long.

Already I've been able to make helpful referrals for adoptions as well as surrenders, thanks to the far reaching network our breed now has, and I will continue to help behind the scenes in this way. Having 3 of these great dogs as my own family, I look forward to staying involved with conformation, obedience, hunt tests, the Maine Supported Entry and Lobster Bake for starters. When my own Chessie family dwindles down, I'll be looking to adopt a needy senior; they are very special to me.

I know a few words of thanks on paper cannot convey what is in my heart, and the hearts of the many Chessies we've helped, so please read between the lines and know how Blessed I feel to have been a part of the Chessie world in a small way.

**Hug your own lucky  
Big Brown Ducking Dogs  
Happy New Year, Jane**

## Dr. John C. Lundy 1918 - 2011

The American Chesapeake Club and our breed have lost a true friend - Dr. John C. Lundy "Doc" passed away on November 15, 2011 in Boise, ID at the age of 93. John lived a very full life, with great enthusiasm. His interests were many - his family and many good friends, his

50 years as a dentist, reading history and politics, sports, hunting and fly fishing - and of course 'the dogs'.

John began his life with Chesapeakes at age 10, when he got "Buster" from a country doctor in Cascade, ID. They learned to hunt together and an unbreakable bond between John and the Chesapeake was formed. Around 1946

(after completion of his military service), John got his foundation Chesapeakes - Aleutian Water Chief and Aleutian Water Spray (she became his first

field trial dog). They were the first to use the prefix "Aleutian", a kennel name that would later be found in many pedigrees. In 1953 John's friend Dr. Miles Thomas bred a litter (out of an Aleutian bitch) and John had first pick of the pups - he selected a male and then presented it to the Bishop of Boise's Catholic Diocese. When the Bishop suffered a heart attack a few months later he asked John to take back this very special pup "Bob".

John and Atom Bob went on to make history - with Bob achieving his FC/AFC and 94.5 All-Age points in addition to running in several Nationals - all amateur trained and handled. FC/AFC Atom Bob went on to produce 14 offspring that earned FT placements.

John also bred The Big Fellow\*\*\*, Ch/AFC Bomarc of South Bay and FC/AFC Aleutian Surf Breaker (who produced 24 FT placing offspring) and many other notable dogs. In his later years John embraced the AKC HT program and put titles on several dogs. At age 89 John started a new pup (Aleutian Avenger "Chet") and they earned a JH and two AKC Derby JAM's!

In 1948 John was the driving force behind the formation of the Idaho Retriever Club, the first FT Club in the Intermountain region, and served as its first President. By the early 50's John became active in the American Chesapeake Club. In 1952 he brought the ACC Specialty FT to Idaho, the first to be held west of the Mississippi. John was elected ACC President in 1957, 1958, 1959, and again in 1973. In 2004 John was awarded the ACC Lifetime Achievement Award at the ACC Specialty FT in Cascade, Idaho. John also judged well over 100 all-breed field trials including both Nationals and served as President of the National Amateur Retriever Club. In 2003 John was inducted into the Retriever Field Trial Hall of Fame, with FC/AFC Atom Bob having been inducted in 1994.

*Despite his competitive nature John was always very supportive of anyone 'doing' anything with their Chesapeake - he mentored and encouraged so many over the years. He loved these dogs and he loved what they could do - for us and with us. "Doc", we will miss you so - but know that you'll be smiling down on us each time we hit the field with a brown dog. Thanks for the memories.... Diane Mazy*

*"We have lost a giant among all of us that love Chesapeakes. I first met John in the late 60's and we became close friends. There was no one more supportive of the breed, and he would help anyone train. No one could ever fill his shoes - he was one of a kind. No one will miss him more than me." ~ Marston Jones, DDS - MD*

*"Doc" was always enthusiastic and supportive of any and all efforts people and their Chesapeakes made. Never in the last 20 years did he not call or write with encouragement and/or congratulations on my dog endeavors. His smile lit up his face - he was in love with life and made sure everyone around was included in his joy. Thanks Doc for being the man you were." ~ Linda Harger - ID*

*"We were inspired by his grand Chesapeakes, his dedication to ACC and the field trial sport. He was a champion and a great 'role model' for all." ~ Larry and Lorraine Sarek - MN*

*"Had the privilege of meeting John many years ago here in Canada. His great support, love and influence on the Chessie knew no borders." ~ Brian West - AB, Canada*

*"The ACC Specialty was in Park City UT in 1968 or 1969 - this was the first time for Roy and I to meet John. Thus began a friendship spanning 44 years. What a man, what a gentleman - I treasure our times together at various Specialties and the last time I saw him in 2006." ~ Marcia Wythers - NE*

*"We recalled John's thoughtfulness and that no matter how long or short the time, when he saw us again he would simply light up! He had the ability to make you feel remembered, welcomed, appreciated, cherished, special." ~ Carol and Leo Lemon - OR*

*"Having known who John Lundy was for many years, we met when we entered our first FT Specialty - John was so helpful and encouraging that our first experience was lots of fun. Each time we met after that he always made me feel welcome." ~ Sally Diess - OR*

*"An avid Chesapeake lover! Never one to brag but ALWAYS wanted to hear how you and your dog were coming along. Met him in 1978 and have many fond memories. A true gentleman". ~ Carol Knapp*

## AKC/Eukanuba National Championship - Orlando, FL 12/17/11

**GCh Am/Can CH Cabin Ridge's Mega Margarita "Rita"** (CH Chesshores Crazy As A Loon x CH Mala Of Mt Breeze Chesabar) Owners: Cynthia Meyer & Jo G Martin Breeders: Juli & Joe Koval Handler: Kevin Bednar. December 17, 2011 was an exciting day in Rita's show career. Watching her compete with many outstanding, top ranked Chessies in the country was a thrill. She was very focused on Kevin, her handler and was willing to do whatever he needed of her. She looked like she was floating on air as she moved around the ring. When Judge Charles L. Olvis moved her to the front on the line and named her the breed winner, she accomplished a dream of winning the breed at the AKC/Eukanuba National Championship for 2 years in a row. Last year, Rita won the breed in Long Beach, CA on December 4, 2010 under Judge Lowell K. Davis. The amazing part of this dream is that Rita just gave birth to a litter on August 23, 2011. She was back in her show frame of mind on that day in December. We would like to thank Kevin and his wife Heather Bremmer for everything they have done for Rita during her show career. She is truly a member of their family!

## NEW CANADIAN CHAMPION

## ACC SUPPORTED ENTRY SHOWS

Kennel Club of Philadelphia Supported Entry Saturday, November 19, 2011

The KC of Philadelphia seems to have found its home in Oaks, PA. You have to use a different address in your GPS to get there, but it's definitely there and the site is large enough with plenty of parking, even if you end up in BJ's Parking Lot next door.

The entry was down a little from last year, but we are pleased to see over thirty entries at any "benched" show. There was only one absentee in the regular classes. It was a pleasure to see so many young males in the Sweepstakes Classes. Dog entries have been very low in recent months. The Sweeps entry was 10 (8-2) and Regular entry was 31 (12-11-3-4) 1 Veteran.

Sweepstakes judge was Carole Richards who found **Blackwater Livin on The Edge** owned & bred by Joyce & Jeffrey Shaw, handled by Joyce and placed him Best in Sweepstakes from the 6-9 month class. Best Opposite in Sweeps was given to **Chesabar's Pink Ribbon**, handled by Patsy Barber, and bred/owned by Rudy and Patsy Barber.

Judge, Mrs. Ruth Ann Freer-Godfrey made the following awards: Winners Dog (4 points) was awarded to **Redlion's Brutus of Bloodworth** owned by Richard Schaubert and bred by Jane Pappler and Gina Downin, handled by Gina. Reserve Winners Dog was awarded to **Chesabar High Brass Sergeant Major** owned by Marty & Helen Siegel & P. Barber. Winners Bitch (3 points) went to **Silvercreek Gossip Girl**, bred/owned by Joanne Silver and Diane Ammerman, handled by D. Ammerman. Reserve Winners Bitch went to **Redlion's Hit It Rich**, owned by Jane Pappler & Joe Vinci, handled by J. Pappler. Both WB and RWB were won from the Bred-by Exhibitor Class.

Best of Breed was awarded to **GCH Chesabar's Copper Reflection** bred and owned by P. & R. Barber & Diane & Mitchel Horowitz, handled by P. Barber. Best of Opposite went to **Ch Chesshores Wacky Jackie** bred by Loura Waid, Dana Bleifer & Caroline Wood, owned by L. Waid and Joseph Quinn, handled by L. Waid. Selects were awarded to **GCH Pond Hollow Special Delivery** bred and owned by Dyane & Jennifer Baldwin and to **Bellas Boy Moses of Maiden Point Farm** bred by P & R Barber & Joanne Silver, owned by Paul & Paulena Prager.

Trophies were from Anglers Expressions with a handsome CBR head on china dishes and also provided by Animal Artworks: mousepads, cutting boards, mugs and luggage tags. A "vintage" print done by Dorene Irish was offered to BOB and a print of the Chesapeake Bay was awarded to BOS. Thank you to the many trophy donors who helped to provide the trophies this year.

Luncheon was served almost immediately upon conclusion of the judging. Luncheon Chair Deb Rivas did a fantastic job of setting up and organizing all the food. Market sandwiches from Arby's made up the entrée (only just this week, I heard that Arby's is reorganizing and closing many of their locations... approximately 400). There were too many desserts to list them all, but they were a piece de resistance. This year Jim & Brenda Stewart (BOB last year) revived our old tradition of the Best of Breed winner from the previous year, bring a cake.

The National Dog Show is televised on Thanksgiving Day following the Macy's Parade. Many of you may have seen it in November. I was cooking the turkey and all the trimmings, but managed to watch it while peeling turnips and mashing potatoes. In addition, we "DVR'd" the dog show, to be watched in a more leisurely setting. See you in November 2012 and thanks to all for donating to the trophy fund and entering and attending the show.

# Obedience, Rally & Tracking News

## New Coursing Ability (CA)

According to AKC on 12/23/11, Brownie is the 1st and only Chessie with a CA title! **Nuka Bay Katmai's Best, CGC, CD, RE, URO1, CA** "Brownie" with Robyn Langlie (AK) earned her Lure Coursing Ability title during the summer of 2011 as it was the only thing mom could do while pregnant although sometimes it was hard to hold Brownie back until they said "Tally Ho"! Agility was out as Brownie was so slow and in Obedience wanted to forge ahead so to see mom around that big belly so mom decided they'd try something new. The first time Brownie

saw a lure course was summer 2010 and it was the most amazing thing, all she had to do was chase a bag and bark! One of the guys running the line underestimated her the first time and she got to 'catch' the bag. That just made it more fun to chase! See, we are pretty versatile dogs, huh? Brownie is co-owned by Robyn Langlie and Lynda Barber-Wiltse and is out of Talisman's PennywisePtarmigan X GCh Nuka Bay's Independence Mine UD, GO, VER, RAE3, WD, MX, MXJ, MXF. Great job Robyn and Brownie!

## New Companion Dog Excellent (CDX)

On March 27, 2011 "Kurley" (now **MACH Chesabar KT Return to Home CDX RN NJP**) earned his CDX title with a fourth place finish at the Dog Obedience Club of Greenville (SC) trial. Kurley is loved and cared for by Ann and Chris Frazier, Canton, GA, and handled by Ann. He needed 2 qualifying scores to finish the title going into the trial and completed them both with a placement on Sunday. After earning the CDX title, Kurley will move on to earn the Utility Dog title in 2012. Good luck in Utility Ann and Kurley!

## New Graduate Novice and Companion Dog Excellent (GN/CDX)

**U-UH, U-UJCH, U-HRCH, U-CH\*\* Whiskey Creek's on the Fly (Trout)** SH, CDX, TD, GN, RA, WDQ, CGC (CH Whiskey Creek Walker's Worth RN, SJ-N X CH Whiskey Creek's Greenbrier RAE, OA, OAJ, NF, SJ-N, CGC) earned his Companion Dog Excellent and Graduate Novice Obedience Tiles December 11, 2011 in Cumming, GA. We took the year off from obedience concentrating on Dock Diving and Hunting. Somehow he remembered the jumps and hung in there on the heeling patterns. He qualified both days for his CDX with scores of 188 and 189. Trout had quite a year on the Dock winning an invitation to the Purina Incredible Dog Challenge national finals in St. Louis where he jumped 29' 7". We are now working on his Master Hunter title and hope to get invited back to the PIDC this Fall. Trout is owned, trained and handled by Pat Trainor from Cherrylog, GA and bred by Kathy Case of Whiskey Creek Chesapeake's. Outstanding job Pat and Trout!

## New Beginner Novice, Companion Dog and Rally Advanced (BN/CD/UCD/RA)

2011 was a busy year for Windsong Autumn Rose BN CD RA UCD (CH Windsong Abu Adhem CD RN x Windsongs Touch O'Amber). Blanche earned four obedience and rally titles. First was (Beginning Novice) BN, then (Companion Dog) CD and (Rally Advance) RA in one three day weekend. She also, earned her United Kennel Club Companion Dog (UCD). I am very proud of her. She is one very smart girl. Submitted by proud mom Phyllis Miller (ID). Great job Phylis and Blanche and good luck in 2012!

## New Companion Dog and Rally Excellent (CD/RE)

**CH Dut-Chesse Crescendo da Caccia SH CD RE WDX** (CH Pond Hollow Brindisi MH UD RN WDQ X Susquidilla Dutchess Fantasy CDX RE OA OAJ JH WD) – aka Sharp. Sharp and Chris Beste (DE) (owner/handler) attained, among other things, 2 important titles at the Nationals. The first was RE (rally excellent). This was a hard title for Chris to obtain – he is course challenged. One judge actually told him that he had a great dog, but that he was an AWFUL handler. Well, they overcame that and got a final score of 93 to finish their title. The second title was actually earned at the Hunterdon Hills KC shows under judge Nancy Withers – Sharp got a first place and his CD title. He got a bumper leg at the Nationals. Funny, his first leg was at the 2009 Nationals. On to bigger and better! Way to go Chris and Sharp!

## New Beginner Novice (BN)

**Dut-Chesse Rozy's Sweet Magnolia RN BN CGC** (CH Pond Hollow Continental Divide X CH Cal- I-Co Dut-Chesse Rozy Skies CD JH RE NA NAJ TT) got her BN title at the Ramapo Kennel Club shows – her third leg was earned under judge Pat Scully with a score of 194 and a second place! She got her first leg at the Nationals this year and her second leg at Palisades Kennel Club. Each score was higher and higher. Jill and Rob Conroy (NY) are very proud of this little one – on to NOVICE! Good luck in Jill and Maggie in Novice and beyond!

## New Rally Novice (RN)

**Timbercreek Acres Sunshine of a Gem "Topaz"** - 10 month old puppy bitch, out of Timbercreek Acres Bravo and BlueSkys August Eclipse qualified 3 days in a row with placements and earned her Rally Novice title on 10.23.11. Cat Weil, Cincinnati, OH Great start to a promising career Cat and Topaz!

# Hunt Test Headlines

## MASTER NATIONAL QUALIFIER

**SMOKING SCOUT MH** (Lind's Northcreek Magnum MH X Jackpine Cur-Sans Bob MH) was a Qualifier at the 2011 Master National held on the Eastern Shore of Maryland October 2-9, 2011. This was both "Scout's" and my first Master National. What a week! "Scout" was a great representative for our breed. He had no handles on any of his marks all week (and no big hunts) and ran great blinds. One of the judges said he was one of the nicest Chesapeake she had ever judged. We are looking forward to the 2012 Master National to be held next October in Alabama. Scout needs only one more master pass to qualify for the event. Hopefully, he will be running with his son, Ossie (Osgood As It Gets MH) and Malli (Longmeadow Byrdhouse Malli MH) both of which had qualified in the past. George Marthinuss.

## NEW MASTER HUNTERS

**BAYSHORES REMINGTON MH** (Gunners Lakeshore Rocket X Lakeshores Deepwater Napa). "Remi" earned his first Master pass at two years of age, then in 2011 passed four straight Master Hunt Tests to earn his Master Hunter Title. He is owned and trained by Joseph and Sherry Owens. "Remi" is a big, powerful dog which serves him well while hunting on Maryland's Eastern Shore. Whether in the goose pit or breaking ice to retrieve a downed Canvasback, "Remi" lives for the retrieve. He takes the same passion into hunt tests, which has made this journey so incredibly rewarding.

**STONEFIELD'S NORTHSTAR SALLY MH** (HR/CH Anubis Treasured Bettis MH X Hamiltons Stonefield Hannah JH) "Sally" is owned, trained and handled by Pete Limberatos. She completed her Master title on July 30, 2011 – two months after her 3rd birthday, at Wisconsin Amateur Field Trials Club's summer Hunt Test. A special thanks to all of the training groups I belong to, and to Dick Schultz for allowing the breeding between Hannah and Bettis, which produced such a fantastic dog.

**HRCH HARDWOOD VALLEY'S ACE OF SPADES MH** (CH Hardwood's Millies Kudd CD RN JH X CH Hardwood's Lady in Red). Well, "Ace" did it again the summer of 2011. "Ace" finished his Master Hunter title. "Ace" had not run AKC since his Junior title and skipping SH he needed 6 passes. For "Ace" 6 passes was no problem and he made me so proud. "Ace" ran 6 master tests and each test was flawless. Then back to the UKC for the Fall Grand. "Ace" ran the Grand very well for the first time. We plan on running the Grands in the future. We had a great hunting season thanks to "Ace". He is a pleasure to run and the greatest companion a man could ask for. Thanks to Trent Cleland of Honey Creek Kennels for making "Ace" the dog he is today. "Ace" was bred by Virginia Bartnicki of Hardwood Chesapeake and is owned by Nate Valley.

## NEW SENIOR HUNTER

**CH DUT-CHESSE CRESCENDO DA CACCIA SH CD RE WDX** (CH Pond Hollow Brindisi MH UD RN WDQ X Susquidilla Dutchchess Fantasy CDX JH RE OA OAJ WD) "Sharp" and owner/handler Chris Beste earned their Senior Hunter title at the Pinelands Retriever Club HT in June of this year. Judges were Carol Lewis and Karen Deman. To make it even better, "Sharp" got his WDX under Carol and Dan Lewis at the ACC Nationals. Way to go "Sharp" and Chris – on to bigger and better things. "Sharp" is co-owned by Jill Conroy.

## NEW JUNIOR HUNTERS

**YORK RIVER'S TIDAL WAVE JH** (CH\*\*VonHausman's Break O'Day X York River Camden's Harbor Mist) "Tide" completed the requirements to earn his Junior Hunter Title on September 2, 2011. "Tide" is co-owned by Debra and James Rodden and Hale Miller of Tenant's Harbor, Maine. "Tide" was trained and handled by Rick Walklate of Simply Retrievers. "Tide" will take on the challenges of Senior Hunter this Spring. In the meantime, he will be out in the show ring this winter. A special thanks goes to Hale Miller for offering "Tide" this wonderful venue in which to compete.

## NEW NAHRA WORKING RETRIEVER TITLE

**CH WR CHESAKA ZOE'S BRUIN HILDE WDX** "Hilde" completed her Working Retriever title from the North American Hunting Retriever Association this summer in fine style. She got her last pass under judges Juli Hermanns and Frank Plewa, NAHRA's national president at a Midnight Sun Gun Dog Association hunt test in Palmer, AK. She was the only dog to qualify in what turned out to be a challenging test. At the beginning of the hunt test season, I told the dogs whichever one titled would be my duck dog that fall. "Hilde" and I went to Minto on opening day where it was just the two of us in the blind. I remember thinking with a certain amount of pride for this dog that I bred and mostly trained myself – that she was a real duck dog. I watched her chase a cripple, the last bird of the day, over 150 yards or more before it dove and I had to whistle her in. Mary Pemberton

**INDIANWAYS CHESANY LAKOTA JH**  
**CGC THD WD** (Classic Cut to the Chase X  
 Indianways Shawnee Dream Catcher JH)  
 "Lucille" finished her Junior Hunter Title at  
 Rebel Ridge in Elkton, MD. She went four  
 for four and handled like a dream. We are  
 looking forward to taking the next step up  
 to Senior Hunter. We are so proud of her!  
 Breeders/owners – Ed and Jain Tawes

**HAVEN BEACH'S DEUCE IS WILD JH**  
 (Westwind Whispering Cove\*\*\* MH WDQ X  
 Captain Thor's Gracie Girl SH). "Deuce" was  
 bred by Nick Steen of Steen Outfitters and  
 Kennels and is owned by Chris Hudgins. He  
 was trained by Chris Locklear of Locked and  
 Loaded Retrievers and handled by Chris and  
 Hunter Hudgins. "Deuce" completed his Junior  
 title going 4/4 in 2 weekends and was handled  
 to his last junior pass by 14 year old Hunter  
 Hudgins at Tidewater Retriever Club Fall hunt  
 test at the age of 1 yr. and 2 days old. Since then  
 "Deuce" has competed in Dock Dogs and picked  
 up some NAHRA passes. "Deuce" is now  
 hunting the lower Chesapeake Bay and will  
 continue his training with Old Dominion  
 Retriever Club to compete in derbies and senior  
 tests in the spring. Good luck Chris, Hunter  
 and "Deuce".

**NORTHERN STORM ROGUE WAVE JH** (Captain Thor of the  
 Chesapeake MH WDQ X North Elk Heidi Lyn)  
 "Rogue" was bred by Marty Restucci of North  
 Elk Kennels and is owned, trained and handled  
 by Clint Weitzel of Northern Storm Kennels.  
 "Rogue" earned his junior title at Western New  
 York Retriever Club by passing 2 tests in the  
 same weekend. Clint did not want to enter  
 "Rogue" in any junior test until he was able to  
 also run senior. Within 2 months of "Rogue"  
 earning his Junior title, he also picked up 3  
 senior passes, all before the age of 2 years old.  
 When "Rogue" is not testing, he is also a  
 pick-up dog for a commercial hunting operation  
 in Ohio. Keep up the good work, Clint and  
 "Rogue".

**WTRDOGS INDIANA JONES PALE ALE OF NE JH** (Captain Thor of the  
 Chesapeake MH WDQ X North Elk Classic Katie  
 Lyn). "Indy" was bred by Marty Restucci and  
 is owned, trained and handled by Rick Vohrer.  
 "Indy" started out as just a hunting dog. He  
 has been on a lot of hunts all over Maryland  
 and the Chesapeake Bay. When he is not out  
 hunting, he is a great family dog and lives  
 in our house with our other Chessies. "Indy"  
 also goes to work with me everyday. He has  
 a great temperament and my employees and  
 clients love him. I had never been to a test  
 and thought it might be something I wanted to  
 try with this dog. I decided to go to a training  
 day at Delbay Retriever Club back in March.  
 "Indy" did great and it was a chance for me to  
 see what a test was like. I got a call that there  
 was a double junior hunt test not far from my  
 house, so I decided to sign up. "Indy" did great,  
 nailed all his marks and I was hooked. "Indy"  
 picked up 2 passes that weekend so I decided to  
 sign him up for the next 2 tests and he passed  
 both of them as well. "Indy" finished his  
 Junior title at the Potomac Valley Golden  
 Retriever Club's Fall hunt test and went 4/4.  
 "Indy" is enjoying hunting season and we will  
 try for senior in the spring.

**CAPTAIN THOR'S NORTH SAHARA JH** (Captain Thor of the  
 Chesapeake MH X North Elk Classic Katie Lyn).  
 "Sahara" was bred by Marty Restucci and  
 owned by Tim and Jessica Casey. "Sahara" was  
 trained and handled by Nick Steen of Steen  
 Outfitters and Kennels. "Sahara" is pretty  
 much a family dog who lives in the house with  
 our family. She loves to swim in the Bay and  
 retrieves anything floating in the water. She is  
 great with our 2 young boys and her best  
 friends are our French Bull Dog, Rowdy, and  
 our Chihuahua, Physco. "Sahara" has tons of  
 energy so we asked Nick to take her with him  
 when he was training his dogs to get some  
 exercise. Nick saw something in her and started  
 training her for hunt tests. We were worried at  
 first because we also have 2 parrots, but  
 "Sahara" knows not to mess with them. After  
 a couple of months of training, "Sahara" was  
 ready to run some tests. "Sahara" earned her  
 Junior Hunter title at Susquehanna Retriever  
 Club hunt test. Nick also took her hunting a  
 couple of times and she did great!

## **NEW HUNTING RETRIEVER CHAMPION AND UPLAND HUNTER TITLE**

**U-UJCH, HRCH, UH, CH\*\*WHISKEY CREEK'S ON THE FLY CD, TD, RA, SH, WDQ, CGC** (CH Whiskey Creek Walker's Worth RN, SJ-N X CH Whiskey Creek's Greenbrier RAE, OA, OAJ, NF, SJ-N, CGC) "Trout" earned his HRCH title on November 5, 2011 in the Charleston Retriever Club Hunt Test in Clinton, SC. "Trout" ran a great test with no handles on the marks and just a couple of whistles on the blinds. On the land series he locked on the 1st bird down and did not see the 2nd bird fall 160 degrees to the right at 100 yards. He did see the 3rd bird go down at 45 yards. He picked up the two outside birds and I lined him for the long middle bird and sent him angling back through 2 cover changes and he picked up that bird clean. During lunch break we ran Upland and he finished his water series in the afternoon. He earned his UH title the next day by running a perfect test with automatic sits on his flushes and rock steady to shot. In fact his butt hit the ground before I even had a chance to blow the sit whistle. "Trout" is just 2-1/2 years old and is a UKC Triple Champion. We are looking forward to completing his MH next spring. "Trout" is owned, handled and trained by Pat Trainor of Cherry Log, GA. and bred by Kathy Case of Whiskey Creek Chesapeake.

## PRESIDENT'S MESSAGE

Hello to all ACC members. I hope all is well with you, your family and your CBR. As we approach 2012 I am very excited about upcoming events and changes that will take place with our Club. We have in place a "2012" ACC Nominating Committee and will suggest to ALL ACC members, if you're interested in a position on the ACC Board, please submit your name/resume to the Nomination Chair, Diane Mazy. We all have unique qualities that would be of great value by adding to the spectrum of the ACC.

At the December 2011 Board meeting I introduced to the Board the idea of forming a new ACC Standing Committee. This new Standing Committee would be charged with addressing those in our Club who venue interest revolves around Agility, Rally, Tracking and Obedience. I am pleased to announce the Board voted unanimously to the formation of this "New" committee and to the confirmation of the following ACC members to serve on the Committee;

Lynda Barber-Wiltse, Chair; Doreen Palmer; Sue Cone; Audrey Austin; and Toni Raden (*Board member*)

I thank the Board for their support in this vision for a new voice in our Club.

I suppose it's not too early to mention all of the upcoming ACC events for 2012. Supported Shows, Hunt test, Rally-Agility-Tracking-Obedience Events, ACC FTS (Idaho), ACC NSS (Texas) and of course Chessie Days. All of these events are run with "Volunteers" so if you want to make a difference "get involved" and lend a hand/ideas. I sincerely hope our paths cross soon,

Mike

- b) Appreciate the unique nature of the Chesapeake Bay Retriever / try to develop the characteristics this dog has inherited through selective breeding (intelligence, desire to mark / retrieve with style, love of water / keen scenting ability).
- c) Assume the responsibility of proper feeding, maintenance, health care, and training at all times.
- d) Always conduct yourself in a manner which will reflect credit on yourself / the breed. Refrain from public criticism or malicious degrading of others or their dogs.
- e) Never knowingly sell or place a Chesapeake Bay Retriever with unethical persons or those who would not provide proper / humane care to the dog. Refuse to sell any Chesapeake Bay Retriever to any pet shop or to any wholesale dealer in dogs.
- f) Should you become aware of the mistreatment, abuse, or need for relocation of any Chesapeake Retriever, make every effort to be of assistance by notifying the breeder of the dog involved, the appropriate local authorities / helping in any other way in which you are able.

- a) Do not breed Chesapeake Bay Retrievers that are not registered by the American Kennel Club or by kennel clubs recognized by the American Kennel Club.
- b) Strive in each breeding to improve the breed according to the ACC Breed Standard. Conscientiously plan each breeding, based on parents of appropriate temperament, appearance / other desirable qualities.
- c) Be aware of genetic defects which can be harmful to the breed. When breeding, endeavor to select animals that will reduce the incidence of genetic problems while enhancing the positive attributes / abilities of the breed. Be open with all persons interested in the welfare of the Chesapeake Bay Retriever / discuss possible physical or temperament defects in your own stock.
- d) Do not breed any bitch who is not mature (never before the second heat) / in good health. Do not allow puppies to go to their new homes until at least 7 weeks of age.
- e) Act responsibly toward all puppies produced by your brood bitch or stud dog for the lifetime of the puppies. (Recommend that the breeder encourage the owner to contact him if he can no longer keep a dog at any time in the dog's life.)
- f) Understand that written contracts are strongly recommended for all transactions, such as sales, guarantees, co-ownerships, breeding rights agreements, bitch leases, stud services, etc. Keep accurate records / pedigrees / give new owners registration papers or forward as soon as available.
- g) Use / promote the use of the American Kennel Club non-breeding registration on pet quality puppies which are sold or placed by you.

**II. RESPONSIBILITIES OF BREEDERS / BROOD BITCH / STUD DOG** (The American Chesapeake Club Board of Directors strongly recommends that only animals with current OFA / CERF / PRA clearances be used for breeding.)

## BREEDERS' LIST

1. Breeders must be ACC members in good standing for at least one full year.
2. There is a \$12.00 annual fee for inclusion on the list.
3. Breeders must send for and complete the ACC Breeder's List Application.
4. With the production of the revised list, all old listings will be dropped.
5. To receive a Breeders List Application, email Debra Rodden at [drodden@concretebiz.com](mailto:drodden@concretebiz.com) or go to [www.amchessieclub.org](http://www.amchessieclub.org)

## CLASSIFIED AD SUBMISSION

The only criterion for placing an ad in the ACC Bulletin is membership in the ACC and payment of the ad(s).

The ACC Board of Directors strongly recommends that all breeding stock be free of hip dysplasia and all hereditary eye diseases and degenerative myelopathy. The absence of OFA / CERF / PRA / DM information indicates to the breeder or buyer that they should inquire as to the condition of hips, eyes, PRA and DM status. Inclusion on this list of advertised dogs/puppies/older dogs does not imply endorsement by the ACC.

Submit ad copy and payment (checks or money orders only – in US funds) for Puppy/Stud Dog/Older Dogs to:

ACC Bulletin Classifieds

Payment for Puppy, Stud Dog, Older Dog ads must be received with the ad submittal via regular mail. No phone or e-mail ads will be accepted! Please limit ads to necessary information as space is limited.

Ads **MUST** be typed and are **ONLY** accepted from ACC Members in good standing.

*Bulletin* ad submissions (\$10 per issue) are due the last day of even months. Web only ad submissions (\$5 per month) are due the last day of each odd month.

Stud Dog Ads: Cost is \$40.00 per year, payable January through December. Ads may be inserted after January, but must be paid on a pro rate basis through December.

Puppy / Older Dog Ads: Cost is \$10.00, per issue, per ad. Each litter or older dog advertised constitutes a separate ad. You may submit an ad for one or more issues.

Note: Be cautious as to whom you respond to in conjunction with your puppy ads. Some breeders have been receiving e-mails from pet dealers.

Anyone holding ACC events or functions may request a quantity of back issues for distribution to attendees. This is a great way to introduce non-ACC members to the Club / the breed. Contact Joanne Getchell at (617) 816-7257, (781) 849-1830, or email [chessie@gis.net](mailto:chessie@gis.net), or by regular mail at 298 Franklin St., Braintree, MA 02184. (Put “Bulletins” in the email subject line please.) Let her know a reasonable amount you would like and when you need them.

ACC members who wish to purchase back issues for their own use may request 12 for \$10.00 sent to Joanne Getchell at 298 Franklin St., Braintree, MA 02184. This will remain in effect as long as we have a backlog, then may be discontinued.

### WEBSITE ADDITION

Following the listings of available rescue dogs, ACC members may now list “Dogs available from owner”. This is intended as a place to list dogs who need new homes, as opposed to dogs for sale. See requirements for listing on website. [www.amchessieclub.org](http://www.amchessieclub.org)
