# 2017 National Specialty Show

## On The Cover

**Best of Breed / Best of Breed Owner-Handled**  
**GCH Poissett's Doctor Mallard.** By Ch Poissett's Wild Mtn Skipper - Ch Poissett's Following Sea. Dog. Breeder/Owner: Pauline Henshaw & Annie Henshaw.

WOW! Ducky, GCHG Poissett's Doctor Mallard, won the National Specialty! I think we all go to the Specialty fantasizing about going BOB. Well, this year, 2017, our fantasy came true.

What a feeling! Annie started showing Ducky when he was 6 months old. He finished quickly and was her Junior Showmanship dog until she aged out two years ago. He is a medium size brown dog with great expression and very fluid movement. He loves the show ring and

gives it his all every time. He and Annie have won several group placements, Awards of Merit from Westminster Kennel Club, and he won the New England Sporting Dog Show in 2014. When not in the show ring Ducky enjoys being a farm dog. He loves greeting the horse boarders and messing around in the mud...of which we have had plenty this year. A huge thank you goes out to all those wonderful people who have supported Annie and Ducky through the years and to Judge Lisa Warren for finding him amongst all those great dogs that day in North Carolina.

- Polly & Annie Henshaw

## Show Chair Comments

Without a doubt it is a challenge to organize a National Specialty. I can look back now in wonder that it all came together. You can prepare all you want, but there are going to be last minute crises like losing two judges and working with the local all-breed cluster organization hammering out details the day before our event.

A special thank you goes out to the many volunteers who contributed to the success of the show. My event chairs: Joanne Silver (OB and Rally); Stephanie Roberson-Thomas (Agility and Dock Diving); and Scott Bergman (WD) and their assistants. Kudos also to Lois Schultz as my co-chair and Judges Hospitality Chair, who did an excellent job attending to the needs of our judges; Ann Law for doing a fantastic job as Auction Chair; Mel Phillips as Hospitality Chair; George Forte as Merchandise Chair; and Gina Downin as Triple Crown Chair and Post-Show Editor. Thanks also go to Renee Wolfe for Catalog Ads; Brian Miller as Trophy Chair; and Mike McCarthy as auctioneer and creator of all those memorable trophies and prizes. Honorable mentions are awarded to my sister for being the Banquet Hostess and to Dyane Baldwin as my liaison with the Show Committee.

Thank you to everyone who contributed to this year's NSS trophy fund. And, especially all the ACC members that participated in the state basket raffle challenge, very impressive. Congratulations to all the 2017 winners and qualifiers.

- George Makatura, NSS Chair

## *Breed Judge's Critique – Lisa Warren (P&A)*

Judging the 2017 American Chesapeake Club's National Specialty was both a pleasure and an honor. Show Chairman George Makatura handled the difficult job of chairing a National Specialty with efficiency and grace, and obviously had assembled a very good team of club members to keep things running smoothly. From my perspective, the show seemed to be both well planned and well executed.

There was certainly nothing left to chance regarding the care and feeding of your judge! Assistant Show Chairman Lois Schultz was considerate of my every comfort and need. She started organizing things weeks in advance and proved to be the perfect hostess. Sunday was a long day and without Lois's attentions and good humor, it might have been a trying one.

Special recognition must be made to the talents and hard work of the Trophy Team of Brian Miller and Michael McCarthy, whose handcrafted plaques were unique to the event and beautifully rendered. These gentlemen are truly assets to the American Chesapeake Club.

Now to the dogs! I was very pleased with the overall quality of the entry. Correct size, substance and topline, along with good movement, were plentiful enough that all of the highly rewarded dogs, and others as well, had a generous sufficiency of what I consider to be the three elements essential to any good exhibit: breed type, balance and soundness.

I consider the Chesapeake's head to be an important factor for two reasons, the first being because it is so essential to the breed's function. But it is also quite a unique headpiece, dissimilar to that of any other breed, and therefore a factor of breed type. In this entry there was a wide range of head quality, and while there were some coarse heads, some larger ears than ideal and some very light eyes, the most worrisome deficiency at the low end of the quality scale was lack of strength in the foreface, due either to a snipey muzzle or a lack of underjaw. But there were also some very good heads at the positive end of the range: balanced, pleasing in expression and clearly fit for function.

I was particularly happy with the well-placed front assemblies on many of the dogs, affording each of them the strong forechest that so handily serves an icy-water retriever. Toeing in did appear too often, but there are very few breeds with a plentitude of acceptable front assemblies, so I was pleasantly surprised to find as many good ones as were present at this show.

Toplines varied greatly, which has long been the case in this breed. I was happy to see several Chessies over the two days with truly correct topline that both met the standard's requirements while stacked, (requirements that are often either forgotten or misinterpreted, it seems,) and also held strong on the move.

Rears have been a problem in Chessies for as long as I have been judging the breed, and there is still evidence that this issue, so strongly addressed by the breed standard, still needs attention. With that said, I am happy to say that I saw enough dogs with acceptable, functional rears to indicate that breeders are making progress in this area, and that happy fact that gave me the freedom to award nearly all of the important wins to such animals.

While great outfits were plentiful among those handling the dogs, there were many Chessies at this show that were not wearing their best jackets! But canines have control neither of the timing of their own seasonal wardrobe adjustments, nor of when their humans might choose to mount the important shows. Given that, I could not bring myself to hold the dogs accountable for summer garb and was happy to make allowances for that where appropriate.

Temperaments were, for the most part, exemplary. With only a few exceptions where I perceived a side-eyeing wariness that gave me reason to proceed with caution, anything less than ideal was with a few novice animals that seemed merely insecure, something that is understandable for young dogs in a noisy venue filled

with the kind of electricity that vibrates in the air at a National. This breed has long carried a bit of a reputation regarding temperaments, so congratulations are in order to the breeders who have worked to minimize the negative aspects that can accompany the strong character of this breed.

I would be remiss if I did not comment on the wonderful sportsmanlike behavior of the exhibitors. All were humble in winning and most were gracious in losing, as well as generous with their congratulations to any who bested them. (Yes, judges notice!) It is always a pleasure to judge good dogs with good sports exhibiting them and this was an exceptional weekend in that respect.

Judging this show was a wonderful experience I will long remember. Thank you for inviting me to be a part of your 2017 National Specialty.

- Lisa Warren

### *Comments from Our Sweepstakes Judge Joyce Shaw (NJ)*

As a breeder I was excited and honored to be asked to judge a breed that I love. I was pleased to learn that I had pretty a large group of puppies and veterans. Two of my favorites. Who doesn't like puppies and seniors???? My Best In Sweeps, Chesarab Coppercast Carbon Copy from the 9 to 12 months class, was the example of what a Chesapeake in my opinion should be. Great movement, coat and temperament. My Best of Opposite was Longmeadow Steam Princess Maya from the 9 to 12 month class. Very correct and balanced and showed very well. Both puppies have a bright future ahead of them. The veterans are always a pleasure to watch. My Best In Sweeps Veteran came from the 10 years and over class. What a gorgeous dog! GCH Chestnut Hills Rowdy. Great coat and movement and very sound. Love him! Best of Opposite in Veterans Sweeps was also from the 10 years and over. CH Pond Hollow Daphne Duck. Another great moving dog with good coat and very sound. I had a lot of people come to me and ask about bites in our young dogs. I had NO bad bites. I was very pleased with temperaments and correct coats. Congratulations to all the winners and thank you again for your entry!

- Joyce Shaw

## Obedience Results

### Comments from the Obedience and Rally Chairperson

What a pleasure it was to have our Obedience/Rally Trials in Raleigh, NC. It was very well attended and even with all the chaos and confusion everybody got to make their ring times. We had wonderful results and teams qualifying.

I would to thank my Assistant Lorrie Johnson for being there for me during our ups and downs. Thanks to Mike McCarthy and Brian Miller for the wonderful trophies. You outdid yourselves.

Congratulations go to Michelle Dunn and Blucollars Full Metal Jacket for going High in Trial from the Novice B Class. Congratulations go to Jan Estes going High Combined with CT Pond Hollow Bay of Calais VCD3 BN RN MX MXJ.

The highlight of the Obedience Trial is always the Team Obedience event. This year did not disappoint. If you really want to see our dogs and handlers coming together you really need to stay for this event. Trust me you will not be disappointed and it is always a surprise to see who Chris Beste will be.

Thank you for all who helped this event to be a success.

- Joanne Silver

*Agility Report – August 31, 2017*

*Chairperson's Report*

On the first day of this year's NSS, an enthusiastic group of handlers and spectators gathered in rural NC to prove once again that Chesapeakes can do it all! More than a year in the planning, the ACC All Breed Agility Trial went, in the words of Judge Brian Bane, "off without a hitch". Labor Day week weather can be challenging in this southern state. As luck would have it, temperatures moderated and the skies dawned clear for what would prove a successful day with 228 entries, 41 of which were CBRs hailing from around the country. The local agility community came out in force to support our Thursday event, with most joining ACC members to volunteer. It still gives me chills to remember how those area handlers cheered every Chesapeake that ran – Q or not! The presence of a large contingent of European enthusiasts filling spectator bleachers made the day extra special. Our breed's dog-handler teams held their own among the locals with 11 qualifying and some earning first placements. Heartfelt thanks for their special contributions go to Co-Chair Valerie Farrell; Lois Schultz, judge's hospitality; Lynda Barber-Wiltse, chief course builder; and all of those who came out to help that day. Additionally, I want to thank those wonderful people who supported ACC agility by sponsoring classes or donating prizes. We pass the MACH pole to Ohio and the 2018 NSS!

## *Dock Diving Report*

---

### *Chairperson’s Report*

“Get it! Get it! Get it! Get it!” resounded again and again as one after another, Chesapeakes of every size and color, leaped into space and out over the water of a natural pond to retrieve bumpers or favorite chase toys. Another ACC first - Dock Jumping as part of a NSS! And what a first it was with more than 120 entries in three splashes. When first planning for this event, I hoped we’d have maybe 20 entries per splash. The final figures blew me away. We even had a waiting list! Some were seasoned competitors that had made their mark in the sport with invitations to the North American Diving Dogs/AKC nationals, but many were new to the dock, meeting the challenges of a new sport with unbridled enthusiasm. Everyone got in the spirit of what seemed like one big, colorful NSS kick-off party. Cheers rang through the afternoon as dog after dog raced the length of the dock and competitors rooted for each dog to jump further. Jumps ranged in distance from an awesome 22’6” to a memorable 1’ - both receiving fun, “longest” and “shortest” jump prizes. When all was said and done, qualifying rosettes, medallions, numbered Mike McCarthy prints, lasting memories and more marked this premiere ACC dock jumping event. Amazingly, a total of 103 new legs were earned that very warm Thursday afternoon toward NADD/ AKC titles, with many going on to finish that weekend at a non-club event. Special thanks to judge and facility owner Michelle Godlevski (who became a huge CBR fan), to exceptional volunteers Cecilia Caretti and Lindsey Amundson and to those who graciously donated to support this event.

## WDXQ Report / Results

**September 4, 2017 / Emporia, VA**

Judges: David Barrow, Dawn and Gary Boyce, Michele and Dave Keehn, Scott Bergman.

The event planning was difficult at first but with a lot of great help from many people, we were able to get it done. The day of the event started off with a beautiful sunrise that had the promise of a wonderful day. A big thanks to the Steve Ferguson Memorial Retriever grounds for allowing us to hold the event on the grounds. The Judges set up fair solid tests. We had 70 dogs entered after scratches. The WD had 25 dogs start with 19 Qualifying. The WDX had 28 dogs with 15 Qualifying. The WDQ had 17 with 11 Qualifying for certificates. I can't put into words how impressed I was with the dogs and their work.

Regarding our marshals, shooters and equipment set up & logistics, thank you to all of the following: Julie Reardon, Jane

Pappler (many hrs behind the scene helping a first timer), Barbara Bergman, Judy Repass, Laurea Griggs, Warren Risk, Frank Pitelli, Linda Pitelli, Jody Smith, Ken Lee, Gina Downin, Amy Wernicke, Joanne Silver, Teresa Tebbens, Andrew Jordan, Brandon Sibley, Gordon Dorsey, Susan Dorsey and Maria Kapsali. This may not be a complete list due to my position of Judge/Gunner, but thank you and I apologize if I missed your name. Many chipped in to make this successful. Thank you all!! It would not have worked without you. A big thank you to Jan Sosik for the donation of the duck bands and thanks to Laurea Griggs, Linda Harger and Julie Reardon for donations towards the ribbons. It is the support of people like this that makes these events possible.

A separate fun Puppy Stake was held and managed by Julie Reardon with six puppies entered. Puppy Judges: Scott Repass and Julie Reardon.

# 2017 National Specialty Show

## *Puppy Stakes Results*

Since dogs must be six months to enter the WD, a special puppy stake was held during the Sept. 4th WD/WDX/WDO stakes in Emporia, VA., part of the 2017 National Show Specialty. The baby Peakes got their chance to show off and entertain the spectators. Instinct and enthusiasm, not trained skills, were judged and handlers could pick either a bird (duck or pigeon) or bumper for the retrieves. But they were informed that all things being equal, a puppy that would retrieve a bird would place over one that retrieved a bumper. And even though obedience was not judged, there was a special "Creative Disobedience/Naughty Puppy" award. "It's for the puppy that is so naughty you know you can't give it the first place award. But the judges might still like to own it," said event co-chair Julie Reardon, who along with Scott Repass, judged the puppies.

All the puppies were similar in age—only 6 weeks' difference between the youngest and oldest. There was abundant enthusiasm and aptitude with very little separation: judges gave a slight nod to first place winner Callie, owned and handled by Jill Conroy. "it could have gone either way," the judges agreed. Lisa Heitmiller's Barley earned the second place; she and Callie marked and retrieved full size ducks. Third and fourth placed puppies were equally eager female littermates bred by Brian Newman. Lila, owned and handled by Melissa Vaught was third over his Annie. Both just missed top placings because they retrieved bumpers instead of ducks. Puppies wouldn't be puppies without some fun, so the other pair of littermates, Muddy and Gypsy, decided they'd rather party than retrieve. Gypsy took home the Naughty Award for her antics, winning a thick, gangster style spiked collar and log chain leash.

## Triple Crown Versatility Challenge

In our 7<sup>th</sup> year of the Triple Crown Versatility Challenge, we had a record number of entries and qualifiers proving that our commitment to getting the most out of this breed is quite strong. For anyone who isn't familiar with the Challenge, those who participate, work hard to train their dogs in multiple disciplines and across the 5 days of our National, these handlers and their dogs hustle from class to class, accumulating ribbon after ribbon. The Triple Crown challenges them to demonstrate and prove their skills in a minimum of two different disciplines at the NSS. They must earn at least three legs by qualifying or placing in three classes or stakes across different disciplines. But, you'll see, as you read about the qualifying teams below, that many of them far exceeded the requirements of the challenge. What excites me the most about this challenge is that many participants are spurred on, by the Challenge, to try something new with their dogs or to attempt to reach higher and higher levels. In addition to serving as a motivator to our handlers, the Triple Crown also raises much needed funds to support the entire National. This year, the Challenge raised just under a thousand dollars for the cause. As you read of the impressive accomplishments, below, ask yourself what you can do between now and next July to prepare for the next Challenge. See you then!

## Angie Cox

### AKC Outstanding Sportsmanship Award

At the 2017 Annual Meeting of the American Chesapeake Club, President Linda Harger presented The AKC Outstanding Sportsmanship Award to Angie Cox of Tennessee.

The AKC describes the Outstanding Sportsmanship Award as follows:

“This award honors those individuals who deserve special recognition that have made a difference in the sport of purebred dogs, embodied the AKC Code of Sportsmanship, and have been an active and valued member of an AKC member club.”

I've had the good fortune to call Angie a friend and I have long admired her breeding program, her knowledge of the breed, her willingness to share her knowledge in the service of the breed, and her kindness to all she competes against or works with.

Angie and I became close when we worked together on the Show Committee. We all know that Chesapeake people are strong-willed and outspoken and sometimes, when serving on an ACC committee, we get an up-close view of people's “passionate” expressions of opinion. Muddling through differences of opinion can be challenging for any of us, but Angie always handles it with grace and respectfulness for all. Angie is also a deep thinker and problem-solver and fairness is always her guide.

I once had a memorable conversation with Angie about the importance of attending our National Specialty Shows. Angie said that we don't go to a NSS because we think we can win. We go to take stock of our breed. We go for the things you can learn over a cup of coffee or a drink around the pool. We go to both share and absorb information. We go for the relationships that we form and those that we strengthen. And Angie shows up for our NSS no matter how near or how far. Year after year.

The American Chesapeake Club is lucky to have Angie Cox among our membership for the skills she brings to bear for our breed and for our club, but also for what she shows us about what it means to be a venerable dog woman and a class act.

## Sandy Dollar

### Lifetime Achievement Award

Few people consistently stand out and will leave an indelible mark in the history of our breed -- Sandy Dollar is one of those people. This year marks Sandy's 50th year breeding and raising Chesapeake Bay Retrievers, participating in and promoting the club while being an exemplary steward and role model for us in the breed and in competition.

Sandy's held numerous positions in the club including serving as Board Member and as the Regional Director for Wisconsin for almost 20 years. She selflessly helps whenever needed in regional and national events from soliciting donations to running raffles to sewing quilts for auction. Sandy is also a lifetime member in both the Wisconsin Amateur Field Trial Club and in the Madison Retriever Club, where she has similarly committed herself in service and in participation. Sandy was one of the first people to compete in AKC hunt tests: She was a high point judge for many years and judged numerous events per year at all levels.

Curt and Sandy started *Cur-San's* Kennel in 1966 when they bought a bitch named 'Red Hot Cinder' as Curt's hunting dog. Their first litter was whelped in 1968. In the following years, Curt and Sandy, with their children, bred, raised, exhibited, trained and competed with their Chesapeakes. A skijoring sled still hangs on the wall over her whelping pens with the baskets and bushels of titles and ribbons won by their dogs. Sandy truly maintains the tenets that we all strive to uphold in the breed: conformation, field ability, trainability and good temperament.

Sandy breeds to ensure the best possible outcomes for the puppy and for the breed's continuation. She educates her puppy buyers, giving them books or training DVD's, and maintaining a lifetime of open-door communication if they ever have questions or need mentoring. Sandy advocates for club membership to all her puppy buyers.

Curt and Sandy owned and operated a sporting clays course in conjunction with the kennel for 26 years. Their home in Hancock hosted the annual 'Chesapeake Fun Weekend,' a tradition that has continued with successor RD's. They moved shortly before Curt's premature death in 2002, and Sandy continues to host weekly training days for puppy buyers, Chessie people, and fortunate guests.

Two things usually happen at test or trial when you step to the line with a *Cur-San's* dog -- good dog people will recognize her breeding, and they will usually their respect for Sandy. Few people in the retriever world, let alone the Chesapeake world, have such a reputation. The ACC is fortunate to have her as member, friend and mentor. We congratulate you on your recognition!

*Betsy Horn Humer*  
*Lifetime Achievement Award*

The Building of Lifetime Achievement - It starts with a commitment to the cause of the Chesapeake Bay Dog and the ACC for 45 years. It continues with participation as RD in New Jersey, then RD Chair for the East. Then Mrs. Humer was on multiple National Specialty Show Committees. She was the Show Chairman, Trophy Chair, Obedience and Rally Chair, and Catalog Ads Chair for National Specialty Shows. She was later Chairman of the Show Committee. She was on the Board of Directors as Vice President. She was AKC Delegate from 1997-2006 and then was JBEC Chair for the ACC. She presently is Judge's education Coordinator to the AKC and liaison to the JBEC.

She has been a major contributor to one book on Chesapeake and co-author of another, and author of numerous individual articles on Chesapeakes. Betsy has been a member and officer of 3 different all breed clubs. She has bred and raised and titled dogs in conformation, obedience, rally, agility, tracking and hunt tests.

Betsy is a distinguished judge in Conformation, doing the Herding and Sporting Groups, as well as Obedience, Rally, Junior Showmanship, and Best in Show. Her judging consistently rewards form that retains its original purpose and function of the breed. She carried the banner of Chesapeake knowledge and evaluation all over the United State and parts of South America and Europe. This infusion of knowledge, informed criticism and support enhanced our breed where ever she went.

The best summation of Lifetime Achievement is shown by the 25 years where Betsy chaired the Supported Entry at the prestigious, and benched, Kennel Club of Philadelphia Dog Show. On Saturday between 15 and 20 Breed Clubs declare their supported or specialty competition. 40-50 Chesapeakes compete each year. Of course these dogs have their handlers with them. In spite of declarations by the Kennel Club of Philadelphia limiting or prohibiting large tables in the aisle ways, the ACC has a magnificent luncheon sprawling down the aisles with great food and drink for the Chesapeake exhibitors. Very few of the other clubs have this access but somehow Betsy secures it for the ACC. The result is the best group interaction of Chesapeake people during their 7 hours of bench confinement that we have during the entire year.

As the "Achievement" goes on, Betsy annually creates interaction and fellowship that is good for us all. This may be the greatest step on the way to earning the Lifetime Achievement Award.

*Linda Patterson*  
*Lifetime Achievement Award*

Linda bought her first Chesapeake in 1980 from Jack and Jackie Shields in Wisconsin. "Sheila" was out of the great Chesdale Chippewa Chief and she was a pet for the kids. After seeing a "picnic trial" Linda started training Sheila to mark and retrieve at home and she caught the field trial bug! Sheila was a wonderful, smart dog that could mark but field trials weren't for her so Linda made a move that would change our lives forever.

Linda heard about a breeding for "field trial chessies" so she called and put her name on the list. The call was to Carol Andersen, Caroway Kennels, and the breeding was FCAFC CFC CAFC Chesdale Chippewa Chief and future Dual CH Fireweeds Jasmine. In the fall of 1982, Linda picked up a little female puppy and named her JJ's Jessie. The rest, I guess you'd say is history.

We were rookies at the field trial sport and would throw marks while Linda was teaching Jessie handling. It was obvious that Jessie had talent and she was sent to Mike Lardy for professional training. Jessie was a wonderful friend, pet, family member and of course, she was inducted into the Bird Dog Hall of Fame in 2013.

Linda was a founding member and Board member of the Fox Valley Retriever Club, along with being a member of numerous other renowned Retriever Clubs, and of course, a longtime member of the American Chesapeake Retriever Club. Linda has served and worked on the Boards and Field Trial Committees of most of these clubs and has chaired two Chesapeake Field Trial Specialties and served on the Chesapeake Field Trial Board.

Linda is a respected and accomplished AKC field trial retriever judge, has judged an Amateur National Retriever Championship, has been a participant in AKC Field Trial judging clinics, and has participated in many, many AKC sponsored retriever demonstrations and clinics to advance the retriever sport.

Linda has campaigned many Chesapeakes through the years including Dual CH AFC Jessie, Dual CH AFC Lizzy MH, Dual CH AFC Rudy, and Dual CH AFC Tiger MH. She has competed in several National Retriever Championships (she even ran a series with Jessie as Jessie's daughter, Lizzy, honored for land marks. This had to be a first and only for the breed!). She has owned and competed with many Qualified All Age Chesapeakes, competed in hunt tests earning Junior, Senior and Master Hunter titles, campaigned in the conformation ring making Show Champions, and has competed in the obedience ring.

Linda is, and has always been, a "Chesapeake" lady!!! She continues to advance the breed through her work in the field and continues to make her mark and contributions to the American Chesapeake breed.

**New AKC Titles:** Rally Novice (RN), Scent Work Container Novice (SCN), Trick Dog Novice (TKN), and CGCA

**New UKC Titles:** Novice Handler Discrimination (NHD), and SPOT Titles

**“Sniper”** PTS NHD UCH Blackwood’s Special Ops RN SCN TKN CGCA SPOT (Next Generation’s Smooth Operator JH x Blackwoods Playing the Politics) had a busy spring, summer and fall! We competed in Michigan’s second AKC Scent Work Trials at the Kalamazoo Kennel Club on October 28-29 and Sniper earned his Novice Container Scent Work title (SCN) under judge Arlene King with 3 successful searches and a 1st

placement. He also earned two legs toward his Novice Interior title. On September 15 he completed his Rally Novice title under judge Cheryl Shea at the Grand Rapids Agility Club’s trial also held at the Kalamazoo Kennel Club. He went 3 for 3, with scores of 95, 97 and 97, and 2nd and 3rd placements. On June 15 at the UKC Premier in Kalamazoo, Sniper finished his Novice Handler Discrimination title. He also earned the Total Dog Award that weekend for having a competition conformation win in the Champion class and also qualifying in the Nosework Novice Container trial. On June 4 he earned his CGCA and the Novice Trick Dog title (TKN) at the Michigan Chesapeake fun day with David Keehn as the evaluator. And on May 24 he successfully completed the UKC SPOT (Socialized Pet Obedience Test). Sniper is 15 months old now and we look forward to many more fun adventures with this young boy! Bred by Erica Wise, owned by Larry and Birdie Hoikka (MI) and handled by Birdie. Congratulations Team Sniper!

**New AKC Titles:** Champion (CH) and Dock Junior (DJ)

**“Josie”** CH Whispering Oak Josie Wales (CH Chestnut Hills Chisum x GCH Whispering Oak Wandering Ivy) finished her CH title on July 15, 2017 at the Jupiter-Tequesta Dog Club Show in West Palm Beach, FL by going Winners/BOS from the Bred By Class. Bred by Karen and James Brown and Kevin E. Skow, handled by Kevin and loved by Karen and Jim. On the road to her CH, Josie was handled by our granddaughter, Hannah and the wonderful Jennifer Ducharme. Huge thanks to everyone who has helped our Josie reach her CH Title. Then while attending the NSS in Raleigh, NC, Josie also earned her Dock Diving Junior title. She and I (Karen Brown, FL) had a blast! Dock Diving is addictive!

**New AKC Title:** Rally Advanced/Excellent 2 (RAE2)

**New NASCW Title:** Nose Work 1 (NW1)

**“Red”** SR Backcountry’s Redi 4 Devils Canyon BN, CD, RAE2, JH, WD, NW1 (CH Albriden’s Arctic Wookie SH x GCH Nuka Bay’s Trinity Island BN, CD, RE, NW2) bred and owned by Chad and Judy Schonbeck (AK). Red and I spent a lovely rainy weekend in Ninilchik, AK at the end of August with him successfully finding all his hides

to get his Nose Work I title with the National Association of Canine Scent Work. The following weekend he completed his AKC RAE2 title, at the rally trials hosted by the Working Dog Club of Alaska. Red certainly keeps me on my toes with his training, since his brain has to be worked and being a Chesapeake sometimes he thinks he’s smarter than me. Way to go Red and Judy!

## ***Chesapeake Bay Retriever Earns Prestigious Champion Tracker (CT) Title***

**CT Pond Hollow Bay of Calais, VCD3, BN, RN, MX, MXJ, XF**

In August, "Callie" passed a variable surface tracking (VST) test at Colby College in Maine. That pass gave her a CT before her name — the AKC Champion Tracker title.

The AKC awards the Champion Tracker title after a dog has passed three tracking tests of increasing difficulty: Tracking Dog (TD) or Tracking Dog Urban (TDU), Tracking Dog Excellent (TDX) and Variable Surface Tracking (VST).

She is the eighth Chesapeake to earn the title. Currently there are only 570 dogs who have earned a CT since the title was established in 1995. Typically, only 40 to 50 dogs earn CTs in any given year, although the numbers are increasing as the training gets better and the complexity of variable surface tracking tests are better understood.

Callie passed the VST on her first try, which is pretty good considering the pass rate is about 12%. She is my (Jan Estes, NY) second champion tracker.

The mental challenge of VST, the close teamwork, the trust you develop with your dog, and the many miles of track covered before even thinking of entering a test make it one of the most rewarding challenges in dog sports.

Special thanks go to Callie's breeders, Dyane Baldwin and Karen Shaffer. Callie is out of CH Pond Hollow Continental Divide and CH MACH Pond Hollow Deck the Halls, JH, MXG, MJG.

**“Spencer”** GCHG Hardwood’s Full House DSX2 went BOB and Grp 2 at the St Clair K. C. supported entry September 16, 2017 under Judge Mr Houston Clark for the Breed and Ms Bonnie Linnell Clark for the group. Spencer’s daughter was also BOS. This summer Spencer earned his Dock Senior Excellent 2 title and is now working on Excellent 3. He has a 20’ 2” jump toward Master. He loves nothing better than to “Fly” into the water. Spencer is very loved, owned and enjoyed by Virginia Bartnicki and Jeanne Ohrnberger. He is shown and jumped by Jeanne and Klaus Ohrnberger. Way to go Spencer.

## New Champions

**“Archer”** CH Skywatcher’s Golden Arrow (CH Chesaroyal Lord Brushwaters x Monarch-Skywatcher Ready Aim Fire), owned and bred by Michelle and Matt Junevitch, finished his AKC Championship under Judge Beverly Andersen at the Nisqually KC Show on 8/12/17. He has only ever been handled by his breeders or family (our daughter). This deadgrass boy has a heart of gold and the sweetest temperament. We are blessed to call him ours.

**“Bella”** SHR CH Sienna Bay Watermark Bella Rae JH DS DJ TKI CGC WDX (Win’s Northcreek Counterpunch JH x CH UCH URO I UAGI x Sienna Bay Waterdance Rhiannon RA ARCH DDJ TKA CGC) finished her AKC championship title in mid-August in Greensboro, NC at

the Carolina Kennel Club shows under Judge Sue Goldberg. What a way to finish! That same weekend, Judge Barbara G. Pepper awarded this pretty girl a 5 pt. major, Best of Breed and Best of Winners. Just a couple of weeks prior, she received a 4 pt. major at Piedmont Kennel Club in Greenville, SC under Judge Norbert Dee. Homebred, dark beauty Bella is the most gregarious Chesapeake I have ever seen. Everyone loves Bella and Bella loves everyone, freely bestowing sloppy kisses to all she meets - a challenge when she first started greeting her ring judges. This Chesapeake has never met a stranger! A happy girl, she is equally a dream to show in the ring and work with in the field. Whether it be running marks, showing in conformation, dock jumping or training a new trick, Bella is a joy to spend time with and is truly a five-star ambassador for her breed. Bella has several Best of Breed awards to her credit, the last recorded with GCH points. Thank you to wonderful co-owner Keven Smith (and all of Bella’s fans who believed in us) for sharing this amazing journey. Bella was owner handled to the majority of her championship points by breeder Stephanie Roberson-Thomas.

**“Benjamin”** CH Del Brave One Hundred (Ch Meadowoods Home Of the Brave UD MH AX WDX\*\* x CH Del Brave Mud Bug). Bred, Owned and Handled by George Makatura, Del Brave Chesapeakes. Ben finished in style from the Bred-by class going Best of Breed over Specials on Aug 20th, 2017 at the Greensboro KC show under judge Sue Goldberg. My goal now is to continue showing him, which is a challenge with a dog that doesn’t like showing, only because I want a photo where the tail isn’t tucked.

This dog was my heart, he would give me his everything. I am so blessed to have had him in my life. No dog can ever replace him they will just find a new place in my heart. Scout taught me so much. He was my protector. I loved his antics especially with Dave and me. He would always have to check with mom before he would do anything for Dave. I hope everyone is blessed just once in their life to have a dog like Scout. My Mouny Man you are missed every day. We LOVE YOU. Till we meet again, Dave and Michelle Keehn.

## Chesapeake Bay Retriever Breed Power 10 Ranking by PowerScore for 2016

The Breed Power 10 recognizes the fastest dogs in our sport by using average yards per second from AKC Masters level Standard (STD) and Jumpers with Weaves (JWW) classes. The top 10 dogs in each breed at each height are ranked by PowerScore, which is a dog's average JWW yards per second plus two times their average STD yards per second. A dog must have at least one qualifying run in Masters Standard and one qualifying run in Masters JWW to be ranked.

# WDXQ Program Updates

## The Purpose of the WD/X/Q Program

There were some questions about the WDXQ test and using white coats and it being a "hunting test". The American Chesapeake Club established this test in 1973. The first WD stake was held at the Show Specialty at Marshy Point, Maryland on April 6, 1973. There were no organized hunt tests back then. The only field competition available was in a field trial and many Chesapeake owners and hunters couldn't afford the time or money to participate or have the quality of dog and dedication that was needed. So the ACC provided the WDXQ as basic retrieving tests. These tests were to show that your dog would retrieve with gunfire, retrieve a fresh shot bird, and do this on land and water and also enter the water a second time. The advance tests offered multiply marks plus land and water blinds to show your dog could hand with a whistle and arm commands. The tests were fashioned after a field trial, just as the rules explain. In field trials, the gunners and throwers all wear a white

coat. These tests are NOT hunting tests and never were, there are no duck calls, no camo. It is not to prove they can hunt. There are now hunt tests to prove hunting abilities the same as there are field trials and each is different. These WDXQ tests are basic retrieving tests to show your dog will "retrieve" as stated above and a way for owners and breeders to show the desire in their stock. The ACC has provided this venue since 1973 with only 2 very minor changes in the test qualifications along the way. Let's continue to encourage the holding and running of these tests for ACC club members. Your dog only has to pass once to have the title, not qualify 4-6 times like a hunt test. This makes the WDXQ program much more affordable for everyone.

## Chesapeake Bay Retriever Competes in Inaugural National Derby Dog Championship

### Risky River's Fifty Shades of Brown - "Camo"

My first field trial dog I ever owned or ran was retired at age 2 when it turned out she hated anything to do with being on the line.

I think Rose received an RJAM in one trial and never finished another. I remember being handed the green ribbon and not even knowing what an RJAM was; that's how new I was. Not long after that, my job took me to the Caribbean where Rose and Hank (our other CBR) wasted away their days on the back porch in the heat anxiously awaiting my arrival from work so I could take them snorkeling or on a beach walk. I waited almost 10 years before I got my boy Camo as my second field trial dog.

I learned a lot with my boy this year. I did have him with a great pro, since the winters in Idaho/Utah are not conducive to field trial training and I knew I didn't have the skills. I traveled and day-trained as much as I could possibly swing it financially and logistically. Training with him, I learned so much about how dogs develop intellectually in those first two years.

By mid-summer Camo was more consistent in his marking and we made a last minute decision to head to Fairbanks and run a couple trials up there. In the first weekend he ran as well as many other dogs in the first three series. For the last series you had to walk around a wooded path to get to the line for the double with a long, angled memory-bird swim, and you couldn't therefore watch any of the other dogs run *en route* to the line. We got a no-bird the first time and then had to follow the path again, so I didn't see any dogs but mine run. When they called his name for the blue ribbon I was truly surprised.

In late September, we ran the Snake River Retriever Club trial in Soda Springs. The competition was stiff that weekend, and I thought once again, the pros would take it.

Halfway through the third series water double they scrapped the test and started over. The only other water available for a second attempt was an upstream river swim out to an island. It started snowing heavily during this test. In typical Chesapeake fashion, Camo could have cared less about the weather. Finally, the last series was a land double so tight that the two converging falls were only about 10-20 degrees apart. I was so happy that Camo even finished that series without his little head exploding. You could see on the memory bird that he thought *very hard* against going back to that short go-bird. He truly earned his red ribbon that day.

With 8 points now, he was becoming a more consistent dog on the line. When no other Chesapeake's had qualified for the very first National Retriever Derby Championship I decided to represent our breed and run him in Sedalia, MO. He had been competing against many of those dogs all season, so I figured if he could make it through the first couple of series' I would be more than proud. In the end, he finished 5 series and did some very good work before he was not called back to the last 3. I was so proud of how well he ran and I feel he represented the breed well on some challenging marks.

We made our last attempt at the Derby List during the Chesapeake FT Specialty in October. There were some great grounds in Emporia and the weather was amazing. They set up some series the likes of which Camo and I had not seen before. With three short singles thrown as the first series, the Derby dogs got a lot of retrieving in that day. The last series was a 180-degree-wide double and by that time ol Camo was really hot. With a controlled break on the go-bird, he bumped himself down and first place went to his good buddie McQueen instead. But for Camo and I, we were now officially on the Derby list with 11 points!

I couldn't be more proud of my boy. It's been a long crazy year, but I sincerely hope he continues to like the game. For now, a couple of months off for some well-deserved duck and pheasant hunting.

### *Forever in our Hearts - "Maggie"*

**EN AHD URX UROC UCDX HR Blackwood's Magnificent Broad JH CDX ODX  
RE RM TKN NWI WDQ CGCA SPOT**

(CH Hamilton Farms Broadwaybound x Blackwoods Built "The Bus")

**June 6, 2008 - September 23, 2017**

We had intended for Maggie to be a family, companion dog. But we also wanted to train her for what she was bred to do - hunt and retrieve ducks. One thing led to another and she became our first performance dog. And did she ever perform! We competed in AKC, UKC, ASCA, and NACSW.

In her short nine years she earned 61 titles in hunt tests, obedience, rally and nosework. She would happily do anything asked of her.

She was very protective of her family, but she also had a sweet, gentle disposition. She became a therapy dog at the West Michigan Cancer Center in Kalamazoo where she would sit quietly with patients. She absolutely loved the water, would swim every day when possible, and was happiest retrieving. Maggie was bred by Erica Wise, owned by Larry and Birdie Hoikka and lovingly, proudly handled by Birdie. She is profoundly missed.

## Beginner Novice (BN)

**“Dirk”** Sienna Bay Watermark Dirk (Win’s Northcreek Counterpunch JH x URO I UAGI UCH CH Sienna Bay Waterdance Rhiannon RA ARCHTKA DDJ CGC) earned his AKC Beginner Novice obedience title at the Cape Fear Dog Training Club August trials in Fayetteville, NC. Dirk had been competing in dock jumping prior to beginning his obedience career and I chose to start in this class because I had been away from competitive obedience for a while. He responded with the same

unbridled enthusiasm that he did when introduced to jumping off a dock, earning high obedience scores and multiple first placements along the way. An insurance leg found him in a three-way tie for first at the ACC National Show Specialty in Raleigh, where he also took first place with Rally Team “The Nerds”. Dirk loves to work, with heeling his favorite exercise, so we are continuing to train through the competition levels and hope to enter a novice class this winter. But he’s not giving up dock jumping. He’s earned an invitation to the NADD/AKC Eukanuba National Dock Jumping Competition in the Master Division two out of the last three years! We’ll just practice his sit-stay on the dock! Dirk is loved, trained and owned by his proud breeder, Stephanie Roberson-Thomas (NC).

## UKC Nosework Novice Interiors (NI)

**“Derby”** CH Sandbar’s Demolition Derby @ Riverdel, NWI RATI RATN RATO NI (BIS, BISS GCH Sandbar’s Stock Exxchange x CH Sandbar’s and Then...) earned his UKC Novice Interiors Element title on Oct-15th at the Versatile K9 Club’s trial in Blairstown, NJ. This was our first UKC

nosework trial and Derby passed both interior searches with his usual flair. The first search evolved in difficulty as the day wore on and we were very late in the running order. It was a threshold hide (close to the door/start-line) and everytime that door closed it pushed the odor onto two nearby sinks. Derbs entered the room in odor immediately, but got stuck on odor collecting between the sinks. So he sat between them, threw his head back and let out a big WOOF! Not being his usual indication, I re-cued him, and he went back to the threshold and nailed source with a clear indication! The judge and CO let out a sigh of relief, laughed, and commended our search and handling as many before us jumped the gun with false alerts. The second search was in a large room with half the room divided by small cones, our nemesis. Derby thinks they are fun to retrieve! But on this search, our leave-it training worked, and he took a hard turn directly to source. Photographers are not allowed in interior searches so this picture is from one of his exterior searches. Derby is owned/handled by Marty Smith (NJ), bred-by Diane Baker. Way to nail it Marty and Derby!

## Canine Good Citizen (CGC, CGCA, CGCU)

On August 22, 2017 seven various Canine Good Citizen titles were received by five Sand Spring Chesapeake dogs. The tests were hosted by Canine Solutions LLC in Beaver Dam, WI with Polly Dake-Jones as our judge. **Riggs** earned his CGC, he is owned by Roger Glasgow and JoAnn Stancer; **Josey** earned her CGCA and CGCU, she is owned by Tom and Irene Pawlisch. **Guilty** earned her CGCA and CGCU, **Glory** earned her CGCU and **Gambler** earned his CGCU, they are owned by John and JoAnn Stancer. All dogs were bred by Sand Spring Chesapeakes, Cambria, WI. A great day was had by all. Proud to have such good citizens in the chessies. Impressive Team Sand Spring!!!

## Dock Senior (DS)

“Koy” jumped in her first DockDiving Competition at the NC 2017 NSS – and we are hooked! So much fun!! What a way to start the NSS – a big tailgate party with lots of wet dogs and handlers (thank you NSS organizers!!) No dock diving competitions in Alaska – so we practiced off a floating dock (friend’s house), then inside (friend’s pool). Saw regulation size equipment (full-length dock with regulation drop from dock to water) for the first time at the NSS facility. A few ACC friends talked me in to entering Koy in the NADD events held at the fairgrounds (NSS location). On her second day jumping, Koy earned her Dock Senior title AND invitation to compete in the Master Distance Jump at the 2017 NADD/AKC Eukanuba National Championship! Not bad for an Alaska girl! On our NSS trip, Koy ended up with 8 Senior and 2 Master qualifying jumps (her jumps ranged from 16’0” to 21’6”). ## Dock Junior (DJ)

“Kach” also enjoyed DockDiving, but wasn’t as crazy as daughter Koy. Quickly learned Koy did best being restrained near back of dock. Kach initially did best revved up closer to water end of dock, with a quick about turn, run a few steps and toss the toy. By the second day, he was ready to be restrained further back on dock. Day one, Kach jumped Novice/Junior/Junior. Day two, Junior/Junior/Novice (need five jumps at each level to earn a title; he had 2 Novice and 4 Junior jumps with no competition opportunities at home in Alaska!) Day three, Kach earned his Dock Junior title! He came home with 3 Novice and 7 Junior jumps (ranging from his first jump of 8’6” to his last jump of 11’6”). Kach was working on 3Q’s in 3 runs at the NSS agility trial – we were on the final 4 jumps when he heard something at the dock area (adjacent to the agility arena), slightly raised his head and turned just enough to interfere with his stride and we got a refusal! All is good... the day was fun. ## Trick Dog Novice (TKN), Trick Dog Intermediate (TKI) and Trick Dog Advanced (TKA)

Sometimes you just have to have fun for fun’s sake. This summer was one of those times for me and half a dozen Chesapeakes when we took the AKC’s new Trick Dog tests and the six became some of the breed’s first to earn those titles. My dogs have a pretty full bag of tricks and most needed a minimum of practice and polish before heading to the regional Labrador Retriever specialty where Dirk, Shae, Dyllan, Kye, Bella and Rya almost outnumbered that other retriever breed in the evaluation ring, which was surrounded by kids, strollers & onlooker’s flexi lead pets at the busy North Carolina State Fairgrounds during the annual “Got to Be NC” festival in Raleigh, NC. As if the atmosphere wasn’t crazy enough, the testing was outdoors, across from a live rabbit exhibit and alongside an ongoing tractor pull. Needless to say, the distractions gave pause, especially because some tricks were performed off-lead. I needn’t have worried. All six dogs already had their CGC titles and subsequently flew through the Novice and Intermediate test levels without so much as a sniff toward the rabbits or jump at tractor sounds. Our weekend proudly ended with a record of 12 new AKC titles and we had had a ball earning them. Ten days later, Dirk, Shae and 11-year-old Rya earned their Advanced Trick Dog titles at Cape Fear Dog Training Club in Fayetteville, NC where they enthusiastically “got the mail”, opened a cooler to deliver to hand cold drinks and other equally amazing canine feats! Not long after, the AKC honored these talented pups by featuring them in AKC Communicates where a test facilitator bragged that my Chesapeakes were outstanding, as well as being the most fun. Final count? Rya, Dirk and Shae: TKN TKI TKA; Dyllan, Bella and Kye: TKN TKI or 15 fun, new Trick Dog titles in less than two weeks. A new title record? I know it is for Sienna Bay Chesapeakes! Stephanie Roberson-Thomas (NC). What fun!!! Congrats Sienna Bay!

The 2017 Field Trial Specialty continues to move forward in anticipation of the fall Specialty. Scott has been very busy and should be commended for all of his work. Medallions have been requested from Christy Gonzales on behalf of Scott Bergman.

3. Health Committee (Betsy) – Will not be any Health Clinics at the 2017 National Show Specialty. Jim is getting info on bloat that will be added to the Breeders Seminar.
4. Hunt Test Committee (Gary Boyce) – Linda Harger reported George Marthinuss (NC) would like to step down from Chair position. To approve Dale Langhorne (ID) as Hunt Test Committee Chair. Term effective 07/2017 - 02/2020. **17:27** (Linda Harger, Heidi Henningson) Approved 07/18/2018
5. Judge and Breeder Education Committee (JBEC) (Betsy) – Gale Frana reported on the Michigan Seminar.
6. Show Committee (Jill) – Committee has approved five supported entries so far for next year and have two additional applications that need to be reviewed.

It is going to be necessary to reorder medallions. Board input if there is any changes that they would recommend.

The SC is reviewing seven candidates as potential replacements for the two positions that need to be replaced in the coming months.

There are currently two options being worked on for the 2018 NSS. Dyane Baldwin is speaking with a club member (husband and wife team) about considering holding the NSS. Our other option is a past club member (who would rejoin the club) that has agreed to hold the NSS in conjunction with another all-breed club. She has extensive experience as a show chair and works with several other clubs - understandably this would require discussion with the board. Both options would be held in Ohio.

Need to continue soliciting for the 2019 NSS. Discussing with a group of California exhibitors of submitting a proposal for NSS held in conjunction with Del Valle KC in October 2019.

#### B. Ad-Hoc Committees

1. Breed Rescue Service (Heidi) – Just took in a bonded pair of sisters. Placed all but two pups out of the two litters. Received a check from the American Chesapeake Club Charitable Trust for funds spent on several dogs. Received donations. Costs of spaying and neutering differ greatly in different areas of the country. We keep growing and learning! Heidi appreciates everything everyone does for rescue. Continued efforts between ACC Rescue and

CBRR&R to help get dogs fostered/placed. We have the Facebook Auction House that does help, and we have people who generously donate items for this.

2. Editorial Committee (Lynda) – Going Smoothly!
3. Illustrated Guide (IG) Evaluation (Betsy) – Reviewing presentation from the Irish's and will send comments on it to the balance of the committee. Will be an announcement at the National Show Specialty on the completion date.
4. Nominating Committee (Gale) – No Report.

### **September 1, 2017 Board Minutes**

The annual meeting of the AMERICAN CHESAPEAKE CLUB, a California Nonprofit public benefit corporation, was called to order at 6:35 PM EDT, Friday, September 1, 2017. The meeting was held in Raleigh, NC, at the 2017 NSS.

The following officers and directors were present: Linda Harger, President; Lynda Barber-Wiltse, Vice President; Gale Frana, Treasurer; Gary Boyce, Director; Jill Conroy, Director; Heidi Henningson, Director and Betsy Humer, Director.

Linda Harger served as chair and Lynda Barber-Wiltse served as secretary of the meeting. The meeting began with a moment of silence for members and dogs who have left us this year and for all the people and animals devastated by Hurricane Harvey.

Before the business aspect of the Annual Meeting, President Linda had the honor of presenting a couple of awards to some very deserving members:

- The AKC Outstanding Sportsmanship Award program began in 2006 and was established to provide each member club the opportunity to honor one of their members on a yearly basis. This award honors individuals who deserve special recognition for the difference they have made in the sport of purebred dogs, for the embodiment of the AKC Code of Sportsmanship and is or has been an active and valued member of an AKC member club. These awards are given solely at the club's discretion. Our chosen recipient has been a member since around 1980, she and her husband have been active in breed, obedience, rally and field and have produced numerous title holders in all those fields. She has been pleasant at dog shows, going out of her way to greet all Chesapeake competitors, aiding any and all who ask for help in showing or training their dogs at shows, in hotel parking lots and numerous other AKC/ACC events. They need only to ask. Her unhesitating willingness to help novice owners and handlers with smiles and patience makes her a special "gift" to our club. She has jumped in many times to help at various ACC events, served on many ACC Committees and the Board, wrote an NSS timeline, and covered for other members when they've needed help. **The ACC 2017 recipient of the AKC Outstanding Sportsmanship Award is Mrs. Angie Cox.**
- The ACC Lifetime Achievement Award (LTAA) awardee has bred Chesapeakes for 45 years. She is presently active on 6 different committees (including the Board of Directors and Judges Education). She has been an ACC Board Member multiple times, our AKC Delegate, Chair of our JBEC, Standard Revision and Challenge Trophy committees, roles for many NSS (obedience chair, catalogue chair) and has chaired the

Supported Entry for the Philadelphia Show (now known as the National Dog Show) for at least 20 years. The luncheon she supervises at this event is one which only 2 or 3 clubs are allowed to do and hers has produced tremendous goodwill, fellowship and memories thru all these years. There are many contributors of food and beverage, but she is the "straw that stirs the drink". The custom has become for the previous year's BOB to bring the current year's cake is proof of "Fellowship in Action". She is also an AKC licensed judge in conformation, obedience, rally and Junior Showmanship. She has judged in South America, Switzerland and Germany. She has titled dogs in conformation, obedience, rally, agility, tracking and hunt tests and shares the success and failure of competition on all levels, receiving the rewards and critiques like all of us. All done with grace and appreciation of the breed, the competition and the honest joy our dogs give. She has written chapters in Chesapeake books, clearly stating her positions and reasoning. And it should be added that her husband has been her constant and "Oak" line supporter thru all her endeavors. **We are honored to present the 2<sup>nd</sup> part of the 1<sup>st</sup> parent and offspring recipients. This award goes to Janet Horn's very deserving daughter, Mrs. Betsy Horn Humer.**

1. Roll Call: Thirty-seven (37) people signed the sign-in sheet. A quorum was not established for this meeting (requires 10% of 936 members, or 94 members). President Linda Harger introduced herself then asked members and guests to introduce themselves.
2. Minutes of the last meeting: minutes were published in the January/February 2017 Bulletin (September 19, 2016, meeting at the Ronan, MT, NFTS). The secretary had copies available for members to review, if requested.
3. Report of the President: President Linda Harger stated we've had a very busy year – most of us on the Board feel like our lives are not our own!! Many projects have been started and some finished. Many many members have put in countless hours to provide venues for our members to enjoy. Linda thanked George Makatura as Chair of the 2017 NSS and with the aid of his committee members for putting together what has been and will be a wonderful NSS.
4. Report of the Secretary: Notice of the annual meeting was included in the July/August 2017 Bulletin (page 4). The secretary had copies of the last Board teleconference minutes (July 18, 2017), the Standing and Ad Hoc Committee List (July 18, 2017) and the AKC list of ACC Officers and positions. The nominated slate of Officers and Directors will take office on October 1st (no petitions were received). President – Linda Harger (ID), Vice President – Lynda Barber-Wiltse (AK), Secretary – Tina Cox (MI), Treasurer – Gale Frana (TN), Director – Ed Bahr (AL), Director – Gary Boyce (MD), Director – Pat Baughman (NE), Director – Gina Downin (MD), and Director – GiGi Grant (ID).
5. Report of the Treasurer: Gale Frana reported the Current ACC Main Account balances as of August 27, 2017: Checking - \$17,651.22 and Savings - \$ 163,416.09. Please renew your dues ASAP when you receive the renewal notice.
6. Reports of Committees:
  - A. Field Trial report (Chair Heidi Henningson) – the 2017 National Field Trial Specialty (NFTS) will be in Emporia,

VA, at the Steve Ferguson Memorial Retriever Grounds (October 24-26, Chair Scott Bergman). The 2018 NFTS will be in Creswell, OR (August 21-23, Chairs Tim Phillips and Julie Cole). Creswell is about 14 miles west of Eugene. The 2019 NFTS will be held in Ravenna, TX, in the fall (October/November; Chairs (Heidi Henningson and Gary Kavan).)

- B. Health Committee (Chair Jim Stewart) – Canine Influenza – it is here to stay. The H3N2 is the bad one. Degenerative Myelopathy (DM) – the modifier gene changes the disease timeline, DM in CBRs plus a few other breeds mirrors ALS (**amyotrophic lateral sclerosis** also known as Lou Gehrig's disease) "more closely resembles ALS – Lou Gehrig than anyone else". Some carriers may get DM. Bloat – some familial relationships are being noted, the German Shepherd Dogs have a parallel study.
  - C. JBEC (Judge and Breeder Education) Report (Chair JoAnn Colvin) – The committee mentors judges, answers member questions and works with Show Committee to select upcoming judges. Brenda and Jim Stewart asked questions about the list of judges from recent survey. Discussion regarding timing of approving NSS and ability to secure sought after judges for assignments. JoAnn suggested the Board create a Judges Selection Committee and the Committee would give names of judges to the NSS Chair, then the NSS Chair would be eligible to show/compete at the NSS. Much group discussion about how we select our NSS judges and what our other options are. Might be time to rethink some of our past practices and find ways that would allow NSS Chairs to show.
  - D. Show Committee (2018 NSS Chair Patty Martin) – The 2018 National Show Specialty (NSS) will be held July 11-15, in Madison, Ohio, next to Lake Erie in conjunction with the Regatta Classic Show Circuit. Agility will be held at Countryside Agility in Erie, PA (about 1 hour from show site). Obedience and rally will be held at the show site. The WD/X/Q will be held at the Buckeye Retriever Club grounds (about 20 minutes from show site). Obedience/Rally and agility judges haven't been selected yet. Kathy Heintel will judge Veteran and Puppy Sweepstakes, Paula Nykiel will judge Dogs, Robyn Haskin will judge Bitches and 4-6 month Puppies, Kathy Heintel and Anna Marie Senita are in charge of the WD/X/Q.
  - E. Illustrated Guide (IG) Update (Chair Betsy Humer) – The IG Committee has convened, gathered input from members, held a teleconference, reviewed the current IG and is in the process of incorporating the agreed revisions.
  - F. ROM Program (Chair Lynda Barber-Wiltse) – committee is vetting the updated points tables.
7. Unfinished Business: No unfinished business to report.
  8. New Business: no new business to report.
  9. Adjournment: There being no further business, the meeting was duly adjourned.

Lynda Barber-Wiltse, Vice President/Acting Secretary

CLASSIFIED AD SUBMISSION - Guidelines cover all ads for Stud Dogs, Puppies and Older Dogs.

*The only criterion for advertising is ACC membership and payment for ads. The ACC Board of Directors strongly recommends that all breeding stock be free of Hip Dysplasia, all hereditary eye diseases, EIC and Degenerative Myelopathy. The absence of OFA/CERF/PRA/DM/EIC information indicates to the buyer that they should inquire about these conditions/clearances. Inclusion on these classified lists does not imply endorsement by the ACC or guarantee health clearances. Be sure to include where you are located in your ad. The ACC accepts ads in good faith, and does not check ads for accuracy or completeness. Guarantees or warranties (expressed or implied) are the sole responsibility of the advertiser.*

Submit ad copy and payment by check or money order in US funds only or by PayPal (a \$1 fee is charged per PayPal submission). All ads must be sent regular mail (no phone or email ads except when using PayPal). Mail to: annlaw0331@gmail.com or mail to Ann Law, 6 Grant Street, Riverside, NJ 08075-3723. Make checks payable to "American Chesapeake Club". If sending by Express Mail you MUST check the *wave signature* required box. Please limit ads to necessary information as space is limited. (Example: OFA2531E, EL261, CERF 2013, DM Clear etc.). Ads MUST be typed and are ONLY accepted from ACC Members in good standing.

Stud Dog Ads: Cost is \$40.00 per year. Ads can be placed due the 1<sup>st</sup> of odd months only and will be included in 6 Bulletin issues and placed on Web.

Puppy / Older Dog Ads: A \$5 monthly ad will be accepted on a one month basis and is due the 1<sup>st</sup> of every month. Ads will be placed on the ACC website, and in the Bulletin (if placed on Odd months). Each litter or older dog advertised constitutes a separate ad. You may submit an ad for one or more months. Due to new monthly options, due dates will be strictly adhered to. Any ad received after the first of the month will be placed the following month.

Note: Be cautious as to whom you respond to in conjunction with your puppy ads. Some breeders have been receiving e-mails from pet dealers.

ACC Charitable Trust, in cooperation with the ACC Health Committee, is requesting blood samples from Chesapeakes that have SURVIVED BLOAT/GDV. Since the establishment of the AKCCHF Bloat Initiative there is some promising research in progress. We hope to have an opportunity to 'add on' to one of these projects next year. We are especially interested in research on the genetics of Bloat/GDV. Jim Stewart (ACC Health Committee) is working closely with AKCCHF and they have suggested we collect samples in advance. Samples will go to the CHIC DNA Repository.

**To provide a sample:**

- 1) Print CHIC DNA Repository application at caninehealthinfo.org, fill out (page 1) and return to CHIC with \$20.00, requesting the Blood Collection kit.
- 2) Upon receipt follow sample/shipping instructions and ship to CHIC with the HEALTH SURVEY (page 2) included. Make sure to write in "Bloat" and/or "GDV" on survey, under Gastrointestinal.

3) Please contact Diane Mazy/ACCCT to report that you have provided a sample and to REQUEST ACCCT REIMBURSEMENT for your expenses. riskyriver@juno.com or (208)861-7706

THANKS in advance for your participation!!!

NOTE: We are still seeking samples from Chesapeakes over age 12 that have tested "at risk" for DM but are NOT showing symptoms. Please contact Briedi Gillespie (ACC Health Comm) if you have such a dog. briedi.gillespie@usu.edu or (208)301-1592. DM research continues and we hope to have an update soon.

Also in 2017 ACCCT has provided support for a project in the new AKCCHF Tick Borne Disease Initiative; along with considerable support for ACC Rescue. More to come next ACC Bulletin!
