AKC New Titles: **Champion (CH), Junior Hunter (JH).** UKC New Title: **Started Hunting Retriever (SHR)**

"Briggs" U-SHR CH Laurelwood's Point Taken JH (GCH Pond Hollow Rocky Mtn Range Rider MH x GCH CoolWater's Roane Point CD BN RE NA NAJ SHWDQ) earned his AKC Junior Hunter title on March 10, 2018 at the American Chesapeake

Club Hunt Test in Cheraw, SC. Briggs had 4 straight passes for his JH, and also earned his HRC Started title with 4 straight passes! Briggs is Owner trained and handled by Andrew & Stacy Hanley and bred by Laorea Griggs. Briggs will continue training for Senior and Seasoned. Briggs finished his conformation Championship on May 11, 2018 by being awarded BOW/BOS over Specials by Judge Sulie Greendale-Paveza at the Southeast Alabama Kennel Club show in Perry, Georgia. Briggs finished with 3 Major wins, multiple BOB/BOS wins over Specials and all points earned from the Bred-By class!

AKC New Titles: **Champion (CH), Junior Hunter (JH)**

"ZB" CH Blackwaters Homegrown of Coppercast JH (MBSI

BVIS GCH Chesabar's Copper Mine x Highbrass LM Cotton Candy).
Owners:
W. Joyce Shaw, Dr. Christopher P. Keefe VMD, Mitchel Horowitz.

Breeder:
Mitchel Horowitz and Laura Chambers. ZB finished his Championship at Penn Treaty Kennel Club on April 28, 2018. Mitchell handled ZB to his Championship as Joyce is still unable to run on her bad knees. He even got his first GCH point on Joyce's Birthday, what a great present! He followed

this by finishing his JH title at the Keystone Retriever Club Hunt Test held at Rebel Ridge Farms in Elkton, MD on 6/10/18. ZB was a gift from my good friend Mitchel Horowitz after I had to have Pippa spayed due to a Pyo. I was heartbroken. I'm TOTALLY IN LOVE with this guy...Looks and LOTS OF GO! Now we get to play with the BIG boys! Thanks Mitchell!

AKC New Titles: **Dock Junior (DJ), Canine Good Citizen Urban (CGCU), Trick Dog Intermediate (TKI).** UKC New Title: **Nosework Superior Container**

"Sniper" PTE AHD SC ROI UCH CH Blackwood's Special Ops RN SCN DJ CGCA CGCUTKI SPOT (Next Generation's Smooth Operator JH x Blackwoods Playing the Politics) earned his Dock Diving Jr. title at the

West Michigan Apple Blossom Cluster in Kalamazoo on May 28. On June 2 at the Michigan Chesapeake Fun Day he passed the Urban Canine Good Citizen test and earned his Intermediate Trick Dog title with David Keehn as evaluator. At the UKC Premier in Kalamazoo, MI, Sniper earned his 5th Total Dog award by winning the Champion Class and BOB under judge Tracey A. Kallas on June 15 and qualifying in Nosework Novice Exteriors on June 16. He was also recognized during the Parade of Total Dogs for his previous total dog award at the Michigan Classic in Mason, MI, in March. And he earned his Superior Container title at the Premier. AKC Owner-Handler Group Placing. UKC New Title: Nosework Novice Vehicle

“Derby” NV NI CH Sandbar’s Demolition Derby @ Riverdel, NWI RATO SCN SIN (BIS, BISS GCH Sandbar’s Stock Exxchange x CH Sandbar’s and Then...). Derby & I ventured back into the breed ring on May 7th at a local outdoor show just to see if “I” was able to do it (I knew he could after finishing as a young dog with 4 majors going BOB over specials: 4,3,5,&4!). Our goal was for both of us to stay upright!

To my surprise not only did we stay upright, but received praise and comments from the judges (mostly for Derby and tips for me!) and earned BOBOH and an Owner-Handler Group III. We followed this by competing in the UKC Nosework trials hosted by Versatile K9 Sports Club on May 19th and 20th in Frenchtown, NJ and earned his UKC Novice Vehicle Title. On May 19th the trial elements were Container searches. It was a rainy & cold day. Derby nailed his first search with a fast and clear indication, placing in the ribbons. So everyone was surprised on the following search when we false alerted, his indication was so convincing he almost talked the judge into a pass! On May 20th, the trial elements were Vehicle searches, and despite worse weather (hot and humid), Derby did extremely well and earned his Vehicle Title with usual flair by picking up a small cone that marked the search perimeter and carrying

it to odor. He is a fun dog to watch search, but gives his handler ajada J Derby is trained/owned/handled by Marty Smith (NJ), bred-by Diane Baker.

Forever Remembered

FC Duncan’s Dee-lite

2/15/2003 — 5/31/2018

(CH Fireweed’s Highlander MH X Mex. CH Northcreek’s Razzle Dazzler VCDI JHTDX REAE AEJTHD CGC SD WD)

From an early age, Dee was always something special. Little Miss (as she was called) was first out of the whelping box -- not up-n-over but instead she figured out how to open the door latch. She was little but mighty.

She was a bit of a late bloomer in FT training but when she caught on, she really did. Dee was trained by Luann Pleasant of Red Rover Retrievers. Eventually she spent time with both Luann and Jon -- transitioning seamlessly between the two handlers. She was a joy to watch run. Between Dee, Ben and Chuck we had a great run in the Field Trial game. But Dee was definitely the star!! (She was also a three and a half year cancer survivor.)

Special thanks to Linda Harger who suggested the breeding between Duncan and Audrey Austin’s Dazzle. We will miss seeing her running around the yard and woo-woosing as she carried her favorite stuffed duck. Rest easy Dee.

UKC Rally Obedience 1

“Gambler” ROI USJ HRCH U-GRCH Sand Spring Ev’ry Paw’s A Winner MH THD CGCA CGCUTKITTT SPOT-ON (HRCH Sand Spring Norm Of Caroway MH x UH HRCH Hope Springs Dowry MHR**). On May 13, 2018, Gambler received his Rally Obedience 1 title in UKC. Host club was Dodge County Canine Club. Gambler received one qualifying pass on December 15, 2017 he then received 3 qualifying passes the weekend of May 12-13th 2018 along with 1st, 3rd and 4th placements in the trials. Since Gambler is retired from hunt tests I thought we would give Rally Obedience a try for something to do and we really enjoy it. The training and time spent together at events with friends is so rewarding. We will continue to train and compete in Rally Obedience in the future. Gambler was bred by, handled by and owned by JoAnn Stancer of Sand Spring Chesapeakes, Cambria, WI. Way to go Gambler!

We saw critters (saw grizzly with triplet 2-year olds, black bears, moose, swans, elk, free range horses, foxes, etc), mountains, soaked in hot springs and just had a great time. We even camped on Kluane Lake and all the dogs enjoyed a long swim before driving home the last day. Last year Kach was traveling with multiple girl dogs, including some daughters in heat. He performed much better this year and earned his Canadian Kennel Club Rally Excellent title. Kach is bred by Betsy and Rupe Humer and owned/trained by Lynda Barber-Wiltse (AK). Thanks Betsy and Rupe and Gary and Doreen Palmer for this fun loving, silly, talented Chesapeake Boy!

New UKC Started Hunting Retriever

“Hunter” SHR GCH CH Anatypia TopWater Double Barrel JH WD CA (CH Pond Hollow Continental Divide x CH Anatypia Willow You Be There). Breeder Stacy George. Hunter achieved this title last June but was not official until the missing points were sent in and verified in March. In true brown clown fashion, Hunter gave his Mom anxiety while checking every item in the pond, lifting his head to check and see if his bird was still there and enjoying his swim. Finally he retrieved the last bird and delivered to hand. Owner/handler Ann P. Law.

2018 Master Amateur Invitational Qualifier

The 2018 Master Amateur Invitational was held in Sedalia, MO. May 20-26, 2018. This event was held in memory of John O. Blackbird who passed away in September, 2017. He was a tremendous supporter of our sport and founding member of MARC. I am very pleased we attended this year. I knew John and appreciated the lovely tribute paid to him in the opening ceremonies.

There were only three Chesapeakes entered out of the 168 dogs listed in the premium. Our Chessies were two of the three: **“Birdie”** Rippling Waters Shorebird MH and her son, **“Storm”** High Tide Nor’Easter MH. Did I feel pressure??? You bet!

If you check the MARC Blog you will find diagrams of all six series. They were great tests. Bird placement was super. We had a collection of distances. Some marks and blinds were 150 yards and others were short breaking birds. All the attributes of a trained retriever were tested.

Storm, our male, held it together until the 4th series and then

Hunt Test Headlines

he broke. He was doing the work but the short birds got him. Birdie was steady, on target for the marks, lined a couple of blinds and took every cast when given.

I must complement our Flight B Judges, Thomas Dorroh and Dave Coffey. They set up challenging and fair tests. They told us they were looking for good team work between handler and dog and when they saw it, they complimented us. They stayed friendly and supportive throughout the week.

The event was well organized and ran smoothly, even though we had rain delays. Everyone had a job and shift changes were executed with speed. Equipment was up, down and moved to the next series before call backs were given. I was impressed with it all and proud that one of my Chessies held it together for the breed. Hopefully, we will qualify for next year and be able to make the trip to Montana.

ACC Wisconsin Chessie Fun Day at Stancerville, April 28, 2018

On April 28, 2018 marked the third annual ACC WI Chessie Fun Day held at the home of John & JoAnn Stancer (WI Regional Director). We couldn't have asked for a better day. The weather cooperated with us for the mock hunt test, lure coursing, shed antler demo and practice. New this year we offered CGC, CGCA, CGCU and SPOT testing. We had 35 Chessies evaluated by Tom Pawlisch and Polly Dake-Jones. I thank them both for spending the day doing the evaluations. The event is growing each year. We had 82 people attending with 69 Chessies. A great time was had by all. There was something for everyone to do. I want to thank everyone for their help in making this day a success!. New AKC Agility Titles

“Maggie and Brody” had a great weekend at Skyline Agility’s annual Memorial Day trials. Thanks to judge Ronda Bermke for great courses. Maggie overcame her weave pole issues and finished her MXJ (Master Jumpers) title. She is now GCH CH* Dut-Chesse Rozy’s Sweet Magnolia CDX SH AX MXJ XF RA CD-C AG1 AG2 RATI RATN TT WDX. Bred and owned by Jill and Rob Conroy, and handled by Jill. Not to be outdone by Maggie, Brody was fantastic. He enjoys a snack while running, so he scooped up a mouthful of rubberized dirt and chewed it on the table. It must have given him the strength he needed because he got a first place in the Excellent Standard class giving him his AX (Agility Excellent) title. He is now U-BIS GCH CH* Dut-Chesse Spark of Susquidilla CDX JH AX OAF OF RN RATI WD. Bred by Robyn Haskin, owned by Jill and Rob Conroy, handled in agility by Rob.

Happy Anniversary to the American Chesapeake Club ...100 years strong! Steadfast in its purpose of protecting and advancing our breed.

The anniversary decal was designed by our own Mike McCarthy and shows our beautiful American breed on a wonderful background.

Thank you for supporting our breed and our club.

This camping road trip is always fun! My almost 16-year-old niece from IL joined me – we saw grizzly and black bears, elk, moose, swans, foxes, soaked in hot springs, enjoyed gorgeous scenery, etc. The highlight for the dogs was swimming in beautiful Klwane Lake! Deshka is continuing her show career (she needs to win over one more CH to complete her GCH) while training for her agility, obedience/rally, parkour, field and tracking careers. Deshka is a fun spirited girl. She is bred, owned, trained and handled by Lynda Barber-Wiltse, Nuka Bay Chesapeake (AK).

ACC Supported Entry at Trenton KC (NJ)

May 6, 2018

The weather cooperated this year for the annual Supported Entry at Trenton Kennel Club held on the beautiful festival grounds of Mercer County Park in West Windsor, NJ. Sunny and cool in the morning for judging which suited our Chessies just fine, warm and sunny for our pot-luck lunch and raffle. Our judges, Janice Mines for Sweepstakes (long-time Chessie/Breeder breeder and exhibitor) and Debra Thornton for Breed both had large entries and wonderful examples of our

breed to make their selections from which they expertly did with kindness and care. Thanks to the generous support of the trophy fund, we were able to offer lovely and unique trophies for every placement and win.

Following judging, everyone gathered for the potluck lunch and raffle. We welcome all Chessie exhibitors, friends and family to join us and had quite a large gathering this year - what fun and comradery! Raffle items had been gathered over the past year leading up to and including show day and was great fun with wide participation and was very successful.

The 4-6 Month Beginner Puppy Competition was in the afternoon and we had four Chessie puppies entered with many of our exhibitors staying on after lunch to root them all on. Our BOB 4-6 puppy went on to take Puppy Group 2. Also happening nearby on the show grounds were Coursing Ability Tests (CAT). Not to be outdone by the hounds, our sole Chessie representative ran both tests with speed and flair receiving 2 passing Qs and with Q and "fastest" trophies!

Many thanks to all those that support the trophy fund, the entries, share their delish sides & desserts, and volunteer feet on the ground to make this Supported Entry a success year after year. We couldn't do it without you ALL! Congratulations to all the winners and we look forward to 2019!

ACC Supported Entry at Alaska KC (AK) - June 23, 2018

We had a nice entry, 3-5 (2-3) for our ACC Supported Entry on June 23, 2018, at the Alaska Kennel Club summer shows. Mrs. Sulie Greendale-Paveza was very thorough and patient with our group! Many thanks to Co-Chair Suellen Appellof for the trophies and other tasks and all the exhibitors that joined the event! We even met some new Chesapeake folks! We had one dog entered in Obedience and 2 in Rally – with no obedience Q's (Kach air scented the entire heeling pattern - and, yes, grizzly and black bears frequent the area where we had the shows and trials!) and 2 Rally Master Q's (Kach and Koy). Many folks jumped in to help handle dogs, so I am only going to list the owner's names! It was a fun day! Looking forward to next year.

Updated 2017 AKC Breed Registration Information

Attached you will find pdf files containing registration related information for your breed. As noted in the previous distributions of this information, the attached includes the counts of litters, litter complement, and dogs registered for your breed since 2008.

[Note: "Complement" is the count of pups from each AKC litter.]

The .pdf also includes the counts of unique dogs and bitches that are breeding and participating in conformation. Those counts are finite and will change only minimally over time and generally only due to cancellations of litters, dogs and/or awards.

Call For Volunteers Your Club Your Breed

Volunteers are an essential part of the success of the American Chesapeake Club and are needed in a variety of roles. Many assignments need little or no advance training and bring great opportunities to learn and contribute to the breed and club we all love. Please consider how you might be able to bring your unique skills and talent to further the success of our breed and club. Help is needed in many areas throughout the year. *Volunteer applications can be found on the ACC website or please contact Linda Harger or any board member for an application or additional information.*

CLASSIFIED AD SUBMISSION - Guidelines cover all ads for Stud Dogs, Puppies and Older Dogs.

The only criterion for advertising is ACC membership and payment for ads. The ACC Board of Directors strongly recommends that all breeding stock be free of Hip Dysplasia, all hereditary eye diseases, EIC and Degenerative Myelopathy. The absence of OFA/CERF/PRA/DM/EIC information indicates to the buyer that they should inquire about these conditions/clearances. Inclusion on these classified lists does not imply endorsement by the ACC or guarantee health clearances. Be sure to include where you are located in your ad. The ACC accepts ads in good faith, and does not check ads for accuracy or completeness. Guarantees or warranties (expressed or implied) are the sole responsibility of the advertiser.

Submit ad copy and payment by check or money order in US funds only or by PayPal (a \$1 fee is charged per PayPal submission). All ads must be sent regular mail (no phone or email ads except when using PayPal). Mail to: annlaw0331@gmail.com or mail to Ann Law, 6 Grant Street, Riverside, NJ 08075-3723. Make checks payable to "American Chesapeake Club". If sending by Express Mail you MUST check the *waive signature* required box. Please limit ads to necessary information as space is limited. (Example: OFA2531E, EL261, CERF 2013, DM Clear etc.). Ads MUST be typed and are ONLY accepted from ACC Members in good standing.

Stud Dog Ads: Cost is \$40.00 per year. Ads can be placed due the 1st of odd months only and will be included in 6 Bulletin issues and placed on Web.

Puppy / Older Dog Ads: A \$5 monthly ad will be accepted on a one month basis and is due the 1st of every month. Ads will be placed on the ACC website, and in the Bulletin (if placed on Odd months). Each litter or older dog advertised constitutes a separate ad. You may submit an ad for one or more months. Due to new monthly options, due dates will be strictly adhered to. Any ad received after the first of the month will be placed the following month.

Note: Be cautious as to whom you respond to in conjunction with your puppy ads. Some breeders have been receiving e-mails from pet dealers.

GLOSSARY OF COMMON SYMBOLS / ABBREVIATIONS:

- ** Dog has placed in licensed Field Trial derby or qualifying stake.
- *** Dog is a qualified all-age field trial dog.

CODE OF ETHICS – AMERICAN CHESAPEAKE CLUB

Love / respect of the Chesapeake Bay Retriever is implicit in membership in the American Chesapeake Club. Therefore, all members agree to foster the goals set forth in the code of Ethics.

I. RESPONSIBILITIES OF MEMBERS

- a. Read / familiarize yourself with the American Chesapeake Breed Standard for the Chesapeake Bay Retriever that is approved by the American Kennel Club. Support / abide by the rules of the American Chesapeake Club / The American Kennel Club.
- b. Appreciate the unique nature of the Chesapeake Bay Retriever / try to develop the characteristics this dog has inherited through selective breeding (intelligence, desire to mark / retrieve with style, love of water / keen scenting ability).
- c. Assume the responsibility of proper feeding, maintenance, health care, and training at all times.
- d. Always conduct yourself in a manner which will reflect credit on yourself / the breed. Refrain from public criticism or malicious degrading of other or their dogs.
- e. Never knowingly sell or place a Chesapeake Bay Retriever with unethical persons or those who would not provide proper / humane care to the dog. Refuse to sell any Chesapeake Bay Retriever to any pet shop or to any wholesale dealer in dogs.
- f. Should you become aware of the mistreatment, abuse or need for relocation of any Chesapeake Bay Retriever, make every effort to be of assistance by notifying the breeder of the dog involved, the appropriate local authorities / helping in any other way in which you are able.

- a. Do not breed Chesapeake Bay Retrievers that are not registered by the American Kennel Club or by kennel clubs recognized by the American Kennel Club.
- b. Strive in each breeding to improve the breed according to the ACC Breed Standard. Conscientiously plan each breeding, based on parents of appropriate temperament, appearance / other desirable qualities.
- c. Be aware of genetic defects which can be harmful to the breed. When breeding, endeavor to select animals that will reduce the incidence genetic problems while enhancing the positive attributes / abilities of the breed. Be open with all persons interested in the welfare of the Chesapeake Bay Retriever / discuss possible physical or temperament defects in your own stock.
- d. Do not breed any bitch who is not mature (never before the second heat) or in good health. Do not allow puppies to go to their new homes until at least 7 weeks of age.
- e. Act responsibly toward all puppies produced by your brood bitch or stud dog for the lifetime of the puppies. (Recommend that the breeder encourage the owner to contact him if he can no longer keep a dog at any time in the dog's life).
- f. Understand that written contracts are strongly recommended for all transactions, such as sales, guarantees, co-ownerships, breeding rights agreements, bitch leases, stud services, etc. Keep accurate records / pedigrees / give new owners registration papers or forward as soon as possible.
- g. Use / promote the use of the American Kennel Club non-breeding registration on pet quality puppies which are sold or placed by you.

II. RESPONSIBILITIES OF BREEDERS / BROOD BITCH / STUD DOG (The American Chesapeake Club Board of Directors strongly recommends that only animals with current OFA/CERF/PRA clearances be used for breeding).
