On the Cover

AFC CH Lzy Mtn's Piper's Revenge QA2 "Rambo"

Rambo's career is a story of determination, dedication, and perseverance. Seeing him earn his AFC title is a testament to all the people who have believed in him and contributed to his success through the years. Rambo has earned points or finished all-age stakes in every US time zone at ACC field trial specialties, proving his versatility and determination. In total from Rambo's litter,

there are three qualified all age dogs and one master hunter. Thanks to Wendy Shepard Chisholm VMD for her kindness supporting the breeding between Rudy and Piper (DC AFC Westwind's Rudy of Nordais**** WDAQ X CH Lzy Mtn Abbygale's Creekside Piper QA2).

The first time I (Todd Adams) met Rambo was in 2014 in Alaska. Jim Price, who owned Piper and Rambo, was running the dog at Turnagain Pass. He and his wife Keri wanted to take a fishing trip, so he asked if I wanted to watch the dog for a couple of days. I had an extra hole in the dog trailer, so we took him training with us. I was very impressed with what I saw of the 3-year-old Rambo's abilities. In fact, after that my wife and I pursued breeding him to our qualified all age female, Vee.

Rambo's early career was on the east coast with multiple trainers. During his derby days, it was often joked that he should have been named Jambo, with 7 jams and only one 4th place finish. Under pro Chris Locklear he began earning color in the qualifying stakes. This continued as he worked with Kenny Trott in Colorado and Texas.

Jim had a lot of faith in this dog and felt committed to his success. After all, this was Jim's own breeding, and he

had a strong fondness for this guy. Jim's work was taking him all over the country and that opened up the chance for me to co-own and handle Rambo. I had been impressed with Rob Erhardt of Silvertip Retrievers and how he would problem solve with Chesapeakes, so we asked for his assessment. Rob was also impressed with the dog's attitude and ability and agreed to take him winter of 2016.

The more Rambo and I worked together the more the relationship developed. Once Rambo was living with us in Alaska and we opted for a break from trialing one winter he was able to decompress, relax, and be a family dog. We truly believe this was a turning point in Rambo's career, creating a bond of trust and focus as he learned to relax. During this time, he also earned his show champion title despite his late start in the ring. Since then, he has earned 19.5 all-age points, 19 of which have been with me as handler.

His all-breed amateur win was in Fairbanks in July 2021. He showed a lot of heart, commitment, and intellect as he completed that challenging water series securing the blue ribbon. We thought, the old boy finally did it!!! At 10 years old it was a proud moment to confirm a lot of people's belief over the years. It was also very fulfilling to handle my first AFC. There are a lot of people to thank but the Fairbanks Retriever Club training group and Rob Erhardt of Silvertip Retrievers have been the major contributors to our success. The biggest thank you goes to Jim Price for trusting me and allowing me the opportunity to run a truly gifted Chesapeake.

Hunt Test Headlines

New Master Hunters

"Ivvy" Chugach's & MarJan's Artic Ivishak (GCH MarJan's It's All In The Game MH X Chugach's Chattering Nizina MH QAA). Ivvy achieved a MH title on June 30th at the Minot Retriever Club Hunt Test at Burlington, ND. She is also qualified for this year's Master National. Ivvy, a beautiful sedge girl, becomes the 4th generation bitch to achieve a MH. Next up for Ivvy is likely the Master National, the qualifying, and of course, pheasant and quail season. She is a passionate hunter, who is very birdy. Ivvy is owned and cherished by Michael Vogel.

"Kobi" Pond Hollow The Great Plains MH (CH Pond Hollow Dodge City (Virgil) X GRCHB Pond Hollow The North Wind (Buddha) earned his MH title June 6, 2021 at the Bob Bush Memorial HT hosted by Presque Isle RC in Springboro, PA. Kobi was bred by Dyane and Jennifer Baldwin. Co-Owners Rick Sprake and Patti Martin. I knew early on that he was going to be a Special boy. Tremendous drive, excellent marking, extremely smart with a fantastic memory. He just knows where the birds are and has always run a long straight line. He has been a pleasure to train towards his title. Kobi is the Grandson of my GRCH & MH Brady who died at a young age. Thank you Dyane, he was worth the wait. Owner Rick Sprake.

Our thanks to the Fox Valley Retriever Club for putting on a challenging hunt test and to judges, Tim White and Marty Zamudio. Greg and Comet are training for Senior Level Hunt Tests and will soon be ready to compete. We cannot thank Diane Baker enough for producing such a great Chesapeake Bay Retriever on so many levels. "Ira" SHR Cursans Cross Tie Walker JH BN CGC (dob 2/7/20) (CH CurSan's A Chance To Win SH X Whistling Winds Tango In My Sights). Bred by Sandra Dollar. Ira earned his UKC SHR title and his AKC JH title this summer, after earning his AKC BN in the spring. Ira is a great dog, a character, sweet, lovable and intense. He loves his job!

I want to thank Sandy for him, and a big shout out and thank you to Dennis and Judy Maass of Spring Prairie Gun Dogs and their terrific training group, especially my winger zinger sister, Kathy Moon. This winter is back to the obedience ring for his CD, continued retriever training, and hopefully next season the next level of hunt test titles. Owner: Nancy Boylan.

Performance Podium

New AKC Senior Dock Diving (DS) Title

“Storm” Redlion’s Perfect Storm, CDX JH TKI CGC (CH Redlion’s Hit Doctor, MH x Redlion’s Notorious Margaret) Storm was entered in 4 splashes at the WestWind Thirsty Farmer events on Friday (27) and Sunday (29). He already had 2 qualifying jumps for this division from an event in NJ. We

needed 3 more jumps to title. He jumped 16’, then 16’, then 16’6” to finish for his title. This was his third discipline in the Triple Crown Challenge as he had already qualified in Open B obedience. Boy, did he have fun! My beautiful boy! Owner/handler Elaine Sorrentino.

New UKC United Senior Jumper (USJ) & UAD Ultimate Air Dog Elite Senior (UADES) Titles

“Connor” USJ UCH Sienna Bay Waterwynd Fly Me to the Moon DS BCAT TDN UADES CGC (CH Del Brave A Knight’s Tale MH x USJCH UJJ SHR UCH GRCH Susquidilla’s Sienna Bay Dyllan CD JH RA DJ DSX DMA BCAT DDS CGC TKI WD TDI) has added two dock jumping titles to his resume. Pre-vaccine pandemic, the pack and I were going stir crazy. So I donned my Covid 19 mask and we went United Kennel Club (UKC) and Ultimate Air Dog (UAD) dock jumping. We had a blast! Connor, who takes after dam

Dyllan on the dock, is always up for anything. He quickly earned his United Senior Jumper (USJ) and Ultimate Air Dog Elite Senior (UADES) titles, grabbing first place in his division in the UAD finals. While competing in UKC, we both caught the “Fetch It” bug and he quickly earned legs toward that challenging title, which we hope to finish Fall 2021. Connor has the most wonderful temperament and is a joy to jump. This wonderful homebred boy is proudly owner-handled and dearly loved by Stephanie Roberson-Thomas.

Send Performance Podium Items to Marty Smith.

This includes: Barn Hunt, Coursing, Dock Diving, Flyball, Herding, Search & Rescue, Scentwork/Nosework, Shed, WDXQ, & other titles not in Companion Sports or Family Dog.

New UKC United Junior Jumper Title (UJJ)

“Cadlah” UJJ SCH Sienna Bay Kyes Tidewater Cadlah (USJGCH Sienna Bay Watermark Rhiannon’s Encore Kye SH BN RN DSX DM DDS TKI CGC WDQ x SCR Gypsy Girl) is now dock jumping! Upon first leaping from the dock, Cadlah quickly earned her United Kennel Club (UKC) United Junior Jumper (UJJ) title while everyone was still masked to protect from Covid 19. Earning this FIRST EVER title of any sort at just seven months of age, Cadlah is surely off to a flying start to her dock jumping career.

A fourth generation Sienna Bay dock jumper, she follows in the wet pawprints of her great grandmother Talley, grandmother Rya, and sire Kye. Enthusiasm at first UKC events greatly outweighed this pup’s obedience. Consequently, her struggling handler had to hold her back AND at the same time throw the bumper – not an easy task as this new convert didn’t care if anything was thrown in the water or not and struggled to get away to jump without waiting to follow a chase item at all. Needless to say, obedience work has since been on her daily schedule. Look out world! Cadlah has arrived at the dock! This dock jumping pup is owner handled and loved by her sire’s owner-breeder, Stephanie Roberson-Thomas.

New UKC United Junior Jumper Title (UJJ)

“Chori” UJJ Sienna Bay Watermark Once in a Blue Moon BCAT TDN CGC (CH Del Brave A Knight’s Tale MH x USJCH UJJ SHR UCH GRCH Susquidilla’s Sienna Bay Dyllan CD JH RA DJ DSX DMA BCAT DDS CGC TKI WD TDI) recently earned her United Kennel Club (UKC) United Junior Jumper (UJJ) title. It is her very first dock jumping title. Teaching Chori’ to leap off a dock was challenging. She’d readily jump from a baby dock 22” above the water, but balked every time at going off the main dock just a mere 2” higher. (Competition distance between dock & water surface must be 24”). When she finally did decide to follow the bumper, she never looked back and earned her UJJ the very next weekend with typical Chessie enthusiasm. Now she pulls and loudly demands her turn. Maybe it just took a while for long time dock jumper dam Dyllan’s genes to kick in. When not chasing bumpers Chori’ also enjoys Rally, Obedience and FastCat, as well as working up a tricks program. This special homebred girl is owner-handled, trained and adored by breeder Stephanie Roberson-Thomas.

Versatility Corner

New Senior Hunter and New UKC United Senior Jumper (USJ) Title.

"Slammer" RO3 USJ U-CH Sand Spring Throw The Book At Him SH THDN CGCA CGCU TKA FDC DM ATT SPOT-ON (UNJ U-CH Sand Spring Guilt By Association SH RN CGCA CGCU THDN TT SPOT-ON X HRCH Sand Spring Norm Of Caroway MH) Slammer received his AKC Senior Hunter title on July 31, 2021, at WAFTC summer Hunt Test in Horicon, WI. Thanks to judges Richard Andrews and Caroline Baihly. Slammer is 2.5 years old, time to work on that master title. Slammer received his UKC United Senior Jumper title on August 28, 2021, at Whispering Echos Farm event. Slammer

needed 2 more senior jumps for his title which he accomplished with jumps of 18.4 ft giving him first place, then 15.5 ft giving him fourth place. He has 3 jumps going towards his master jumpers title which we will work on next year. Slammer is O/T/H and bred by JoAnn and John Stancer of Sand Spring Chesapeake, Cambria, WI.

In Memoriam Of

SEVCH SEU(U)CH NOUCH USCH GRCH NORDV15 EUW15 V16 VV16 DOUBLE COAT'S CHRISTMAS JOY CGC WDX 12/23/2007 to 8/12/2021

Joy left us on August 12, 2021, he was a very special chessie boy with an outstanding temperament and working ability. He was a very happy go lucky boy, very friendly to both humans and dogs, so self-secure.

He was my best friend we have travelled together to many places round the world for shows and picking up game on many estates.

He has his own fan club, Joy has left a huge void, and still he will live in our hearts and minds. We miss his happy smile that he gave us every day. His legacy will go on living in his offspring and grandchildren.

Joy made history when he won Best in Show at the ACC Specialty 2011.

In Memory of Gussie Mae

It's with a heavy heart I let you know Gussie Mae Has crossed the rainbow bridge. MACH PACH Timbercreek Acres CGC CDX TDI BN RAE UCDX UNJ was 14 years old. My first female Chessie! My 4th Chessie and an amazing athlete.

She was invited to the AKC Agility Invitational 5 times. Attended 4 and earned the Medallion twice. When running in Orlando our announcement was "Gussie Mae is a stay at home mom of 10. She likes cupcakes, believes in Unicorns and loves spreading the word about breast cancer awareness."S he was instrumental at the barn working with veterans. Rest In Peace my little unicorn lover.

Dock Diving with Your Chessie

I am now 1,300 miles from home with my two Chessies, about to start competing with Dock Dogs at the GoPro Mountain Games. This was not what I foresaw when I planned to get the “Pet” of the litter seven years ago! This all started off with my exuberant brown puppy jumping off the back of the couch like an acrobat. We knew she had the drive and attitude to be an athlete, but unlike many of her CBR brethren, she was destined to be a city dog. We did some research and started up with Dock Diving.

Dock Diving can be set up most anywhere, as the “Dock” is often the bed of a 40” truck, and the pool is mobile, usually 40’-60’ in length. Some organizations offer permanent training and competition facilities which can be found in almost every state (including Alaska!). Other competitions may be held at public events such as County Fairs, expositions and celebrations.

The most important thing for the beginner to know is that it is exceptionally easy for novice handlers and dogs to start up with this sport. Your dog needs to know how to swim, be at least 6 months old and have some level of toy drive (the more the better!). Youth handlers are generally permitted to compete around age 7. The culture of Dock Diving is very supportive, and you will usually find folks cheering for all the dogs and helping each other out.

There are two ways to work with your dog on the dock. With “Place & Send” you can hold your pup, throw the

toy (anything that floats and has never been alive!), and send your dog to jump in the pool and get it. Alternatively, the “Chase” technique can be used. This entails leaving your dog at the back of the dock, walking to the front, calling them and tossing the toy just in front of them to encourage the longest distance jump they can manage. As you and your CBR advance you can hone your techniques and become a real team. Dock Diving is exciting, athletic and great fun.

The two largest organizations are Dock Dogs, which has been around since 2000, and North American Diving Dogs (NADD), which is AKC & CKC affiliated and has grown exponentially since 2014. With Dock Dogs, each event is a competition between the dogs present, with a crowd pleasing entertainment focus. NADD is more title oriented, and you can immediately check out how your pup compares to others in their breed (including All American dogs!). Both organizations have regional and national competitions to strive for as well.

There are also many other organizations that are too numerous to mention. Each has their own specific rules and variations of jumping completions. Distance is what you usually think of with Dock Diving, but there are usually also games with fixed bumpers that measure timed retrieves and height which typically require a bit more specific training.

It should be noted that only the titles achieved in NADD will be listed on your AKC title. For more information, please see the websites of these organizations, and consider researching other organizations in your area.

Field Trial Report

First the highlights!!

A new AFC!!!! AFC CH Lzy Mtn Piper's Revenge won the Amateur at the Fairbanks Retriever Club 1st trial. He is owned by Jim Price and Todd Adams and was handled by Todd. WAY TO GO!!!

Plus that makes two new AFC's in the last and current ACC Bulletins. Very Special!

We also have two new Qualified All Age dogs!!

Dovecote's Flying Super Nova (Ellie) earned a Qualifying 2nd at the Colonial RFTC in May. She is owned and was handled by Brian Stewart.

K-City Jake earned an Amateur RJAM at the North Dakota RC in June. He is owned and was handled by Bill Burks.

Good luck to ALL participants.

Carol Knapp

New Qualified All-age

Two littermates Qualified All Age: On the left, Crossfire's Double Down "DD" owned by Bruce Ahlers, DVM and Marlene Drag, DVM got second in the qualifying at the Dardenne Retriever Club Trial in April. She was handled by Bruce. Crossfire's Ramblin' Gamblin' Man, "Seeger" owned by Ron Tiemann got second at the Lincoln Trial Retriever

Club trial in May. He was handled by Ron. The dogs are out of Praire Sky Patterson, QA2 X Colonial's Sure Bet*** and were bred by Marlene and Bruce.

New Qualified All-Age

"Ellie" Dockcove's Flying Super Nova (HRCH Rudy's Chasing Minnesota Fatz MH QAA X Dockcove's Schooner Rolla CAN MH QAA)

Ellie became Qualified All Age with a second place at the Colonial Retriever Field Trial Club on May 8th 2021. She was under 3 yrs old when she was awarded second and also had two jams in Q's at other trials. She

is owned and handled by Brian Stewart.

Ellie was bred by Phillip Williams of Dockcove Retrievers in Nova Scotia Canada. Would like to thank Sean Hager (Muddy Bay Retrievers) and Buck Shope (Swift River Retrievers) for doing the young dog training with Ellie.

Ellie is a very high drive trainable dog with a happy go lucky attitude, and she is always ready to train. We think Ellie has a bright future at the next level of field trials in the all age stakes .It will take a lot more training and exposure to more concepts but I think she is up for the challenge(just hope her handler is also).Only time will tell.

Presidents Message

By the time ACC members read this message in the Bulletin, I will have joined the esteemed group of "Past ACC Presidents". It has truly been an honor being your American Chesapeake Club President for the past 3 years and serving as a leader and guardian for our great breed. During my 11 total years on the Board (1998-2000 then 2012 to present), I have learned so much about the inner workings of our club and the complexities of our nationwide/worldwide responsibilities for our beloved breed. I take pride in knowing I have personally met more ACC members and nonmember Chesapeake lovers around the country and world in my 36 years with our breed than just about anyone else in our club! And this includes members that both still like me and ones that don't! (big grin)

A few thank you's are in order:

Thank you, Joanne Silver and Tina Camp and all your event chairs and volunteers, for hosting our August 2021 National Show Specialty in York, PA! Pulling together an NSS is always a challenge - But not everyone has to also coordinate with a worldwide pandemic full of unknowns! I thoroughly enjoyed spending time with folks in PA.

Thank you Laurea Griggs and Adam Levy and all your event volunteers for hosting our upcoming (October) National Field Trial Specialty in Americus, GA. I hope all attendees have a great time!

Thank you outgoing Board for all your professionalism, dedication, support, and hard work – Vice President Pat Baughman, Secretary Gina Downin, Treasurer Margi Palmer, Directors Tina Cox, Marlene Drag, Gale Frana, Laurea Griggs, and Carolyn Johnson. It has been a pleasure working with each one of you. Good luck to those continuing service on the Board as well as to those retiring!

Thank you, Regional Directors, Project Leaders, Committee Members, Supported Entry hosts, Event Chairs and all other volunteers – your grassroots efforts contribute greatly to the health and success of our club.

I am "retiring" from the Board, but not from our Breed! Stay tuned for Lynda's Next Great Adventure (a bucket list item) – packing up the Nuka Bay Chesapeake gang, hooking up the RV trailer and heading south from Alaska driving to Michigan for the 2022 National Show Specialty – then touring the "Lower 48" for the fall, winter and spring before turning north and home in late spring 2023! (I am Absolutely Not Interested in experiencing a Lower 48 Summer!) Five states stand between me and saying I have visited all 50 USA states (Arkansas, North Dakota, Rhode Island, Vermont and West Virginia). Let me know if you have a parking space for my gang and RV and would enjoy a visit; recommendations for what to see and when to see it; hazards (like hurricanes and tornado seasons)

to plan around; competitions to enter; training opportunities; Obedience and/or Rally judging opportunities and any other words of wisdom for my great adventure! PS – I have an open passenger seat and the RV couch makes a nice bed if anyone would like to share part of my journey! Remember “Not all who wander are lost”.

Happy Trails to you, until we meet again! Now go hug your Chesapeake(s) for me.

Lynda Barber-Wiltse, ACC President
(October 2018 – September 2021)

Delegate Report

The Performance Events Department created a \$10,000 scholarship fund 2 years ago for students that are active in AKC Performance Events who will be attending an institution of higher education. The following is information pertaining to the scholarship funds.

Definition of Performance Events:

Field trials, hunting tests, lure coursing, earth dogs, coonhound events, herding, scent work, and any Parent Club administered performance event that has been recognized by the AKC as part of the AKC Performance Events Title Recognition Program.

Definition of a Higher Education Institution:

Vocational school, two-year junior college program, four-year college program, or advanced studies beyond a four-year degree.

Eligibility Requirements:

1. Applicants must be active in AKC Performance Events.
2. Applicants must be attending or planning to attend an institution of higher education during the 2022-2023 academic year.

3. Applicants must be a U.S. citizen or permanent resident.

The Criteria for Awarding AKC Performance Events Scholarships Include:

1. Applicant’s degree of involvement in AKC Performance Events. Examples - handler, club member, assistance in hosting events, community involvement in promoting Performance Events.
2. Applicant’s higher education goals. (vocational/college)
3. Applicant’s financial need.
4. Applicant’s GPA.
5. Extracurricular activities – school, community related, youth organizations(4-H, FFA, Scouts, etc.)

How to Apply for an AKC Performance Events Scholarship:

1. Complete the Application form, which can be found online at: www.akc.org/performancescholarship
2. Submit a 250–500 word essay explaining how involvement in Performance Events has impacted your life.
3. Submit an official GPA transcript from current school.
4. Optional – documentation from club official describing applicant’s involvement with club.
5. Deadline: All information must be received no later than March 6, 2022.

A common concern across the sports is who will carry on these traditional Performance Events that we love and are so important to maintaining the “purpose” behind purpose-bred dogs. The Performance Events Scholarship Program is meant to assist those young people that have demonstrated their interest in these sports to achieve their higher education goals and encourage them to remain engaged or return to the sports when their lifestyle permits.

Questions or clarifications can be emailed to Juniors@akc.org.

BREEDERS' LIST

1. Breeders must be ACC members in good standing for at least one full year.
2. There is a \$12.00 annual fee for inclusion on the list.
3. Breeders must send for and complete the ACC Breeder's List Application.
4. With the production of the revised list, all old listings will be dropped.
5. To receive a Breeders List Application, email Ann Law at annlaw0331@gmail.com or go to www.amchessieclub.org

CLASSIFIED AD SUBMISSION - Guidelines cover all ads for Stud Dogs, Puppies and Older Dogs.

The only criterion for advertising is ACC membership and payment for ads. The ACC Board of Directors strongly recommends that all breeding stock be free of Hip Dysplasia, all hereditary eye diseases, EIC and Degenerative Myelopathy. The absence of OFA/CERF/PRA/DM/EIC information indicates to the buyer that they should inquire about these conditions/clearances. Inclusion on these classified lists does not imply endorsement by the ACC or guarantee health clearances. Be sure to include where you are located in your ad. The ACC accepts ads in good faith, and does not check ads for accuracy or completeness. Guarantees or warranties (expressed or implied) are the sole responsibility of the advertiser.

Submit ad copy and payment by check or money order in US funds only or by PayPal (a \$1 fee is charged per PayPal submission). All ads must be sent regular mail (no phone or email ads except when using PayPal). Mail to: annlaw0331@gmail.com or mail to Ann Law, 6 Grant Street, Riverside, NJ 08075-3723. Make checks payable to "American Chesapeake Club". If sending by Express Mail you MUST check the *waive signature* required box. Please limit ads to necessary information as space is limited. (Example: OFA2531E, EL261, CERF 2013, DM Clear etc.). **Ads MUST be typed and are ONLY accepted from ACC Members in good standing.**

Stud Dog Ads: Cost is \$40.00 per year. Ads can be placed due the 1st of odd months only and will be included in 6 Bulletin issues and placed on Web.

Puppy / Older Dog Ads: A \$5 monthly ad will be accepted on a one month basis and is due the 1st of every month. Ads will be placed on the ACC website, and in the Bulletin (if placed on Odd months). Each litter or older dog advertised constitutes a separate ad. You may submit an ad for one or more months. Due to new monthly options, due dates will be strictly adhered to. Any ad received after the first of the month will be placed the following month.

Note: Be cautious as to whom you respond to in conjunction with your puppy ads. Some breeders have been receiving e-mails from pet dealers.

GLOSSARY OF COMMON SYMBOLS / ABBREVIATIONS:

- ** Dog has placed in licensed Field Trial derby or qualifying stake.
- *** Dog is a qualified all-age field trial dog.
