### Our Journey to the ACC NSS 2021 Best of Breed win

By Jennifer D. Martin

“Mi Vida Loca” (My Crazy Life) by Pam Tillis was released in November 1994; A month before Tom and I got married in December 1994. I fondly remember this song coming on the radio as I sat in the driveway of our new house with one of my bridesmaids frantically making calls my from car bag phone to any local family members that might have copies of our house keys. We’d managed to lock ourselves out of the house and had to be at the wedding rehearsal in under an hour. As the song played, I looked at my bridesmaid and we laughed until we cried and then decided to break into the house through the back door. At that point, a bent credit card was a small sacrifice for getting to the rehearsal on time. I requested this song at our wedding reception the next night and danced with Tom as I sang the refrain “Welcome to my crazy life!” This song has frequently played in my head over the years during times in our lives when things just seem to be crazy. It’s now on my “Favorites” list in my music app and still makes the occasional appearance on my car radio as a result. August 2021 was a month where it received a lot of play time.

August 2021 was hot and stormy here in Michigan. It was packed with dog shows and hunt tests. The first weekend in August had me at a dog show on Friday, driving back home and then heading to Chardon, OH for a hunt test on Saturday, and then back to the dog show again on Sunday. It was important to me to earn Nike’s JH title before the entries to the NSS closed because I wanted to enter her in the Hunting Dog Sweepstakes. Nike was able to earn her fourth JH pass that Saturday, and all seemed right with the world, until Sunday night. Sunday night was very hot and humid and it was then that our central air conditioning unit decided to die. This was not a total shock, as it was old and we had been limping it along for a couple of years, but this time, there was no bringing it back. A few calls and several thousand dollars later, a crew was out to install a new central air unit on that Wednesday. It was a good thing because temperatures had been in the mid-90s both Tuesday and Wednesday and we were all wilted and cranky. Our unit was installed and cooling the house down by 3:00 p.m. that day. However, two huge storm fronts came through our area on Wednesday evening. The first one knocked out power to over 80% of our area, but we miraculously still had power. Our luck ran out, however, when the second storm front came through at 11:00 p.m. Now we were without power, and once again, no air conditioning. The power remained out in our area for four days. In the meantime, temperatures remained hot and humid in the 90s. On Thursday morning I decided to escape to our cabin on Lake Huron in northern Michigan so that I could work and get some relief from the heat. I felt confident that my son could maintain the generator at that point, so I took Nike and

went north. On Friday, Nike was acting super clingy and it was then I noticed that she was coming into season.

Of course Nike chose that time to come into season. . . I had just entered her in the WD, agility, rally, and conformation events at the NSS. Worse, by my calculations, she would be nice and hot during the beginning of the NSS week. This meant trouble because of our intact male Chessie, Leonidas (Leo), was also attending the NSS and entered in several events. We knew from experience that Leo tends to lose his mind, and his appetite, when bitches in season are around. We did not expect anything different this time. My plans to have a nice week-long vacation with my husband and seeing all of our friends at the NSS were busted. I stayed up north and Tom stayed home with Leo until just hours before he had to get on the road. Leo was already howling away in despair in just the few short hours we were home together. Tom left with Leo and I made plans to drive out to York, Pennsylvania, with Nike, by myself. I called and scratched Nike from her WD, Agility, and Rally events. Thankfully, we were still allowed to show her in conformation.

Nike, my sweet pandemic puppy, has been a once-in-a-lifetime dog for me despite her not yet being two years old. I remember approaching Dyane Baldwin at the 2018 NSS, introducing myself, and inquiring about getting a conformation puppy from her. Dyane promptly advised me that she was “very picky” about who she will place her conformation puppies with. I just smiled and said, “I get that, I’m very picky too.” A friendship was born that day and I did get on Dyane’s list for a puppy. I waited almost two years for my special puppy, and I can tell you, she has been worth the wait. We traveled to Pennsylvania to pick up Nike just as the pandemic started shutting the country down. It turned out to be good timing because I work from home, and it was late March in Michigan, and I had nothing better to do than play and house train my new puppy. Once Nike had all of her puppy vaccines, we began to take her out as better weather came and some of the restrictions started to lift. I took Nike to puppy obedience and conformation classes as soon as they reopened. I drove to our handler’s farm in Indiana for weekend classes to work on conformation and socialization.

Finally, dog shows opened in August 2020, and we were there. I took Nike to the shows in Canfield, Ohio, at just six months old and she earned her first point by going Winners Bitch. From there she just took off. In the next few months she went BOB out of the classes twice to get her majors. Nike finished her Championship at just ten months old at the shows leading up the AKC National Championship in Orlando, Florida. She then went Select Bitch at the 2020 AKC National Championship. In winter, 2021 Nike went off to our trainer for gun dog basic training. Spring 2021 had us attending dog shows some weekends and hunt tests at others. Nike earned her UKC Started Hunting Retriever title as well as her Junior Hunting title. Despite being out of coat, Nike made the cut at Westminster in June 2021. Nike went on to earn her Grand Champion title in July 2021 and also went Best of Breed at the ACC Supported show in Monroe, Michigan.

With all of that history behind us, I loaded Nike up in the car and we drove ten hours to the 2021 ACC NSS.

When we got there, I went in search of someone who had a room at the hotel with no males because we could not room Nike and Leo together. Kathy Ebben is an angel and graciously agreed to house Nike in her room so that we did not get kicked out due to Leo's howling. I showed Nike on Friday to Patty Martin in the Hunting Dog Sweepstakes and Nike won Best of Opposite Sex. Leo also had a good run in the Hunting Dog Sweepstakes with a fourth place. We returned to the hotel that night thinking our NSS dreams had been made and were very happy. On Saturday I knew I was in for a busy day showing both Leo and Nike in Best of Breed to Judge Lorraine Bisso. Leo was on his sixth day of a hunger strike and was in no mood for the show ring. Unsurprisingly, he did not make the cut. I brought in Nike hoping that we would at least make the cut. Nike did make the cut in her first group. After that, what took hours to finish is a blur in my memories. I honestly have no idea how many times we went back into the ring for cuts. I just know that we kept making them. Two things became apparent. First, the judge really seemed to like Nike, and second, I was horribly out of shape to be running laps around the ring with a mask on. When Nike and I were pulled for the final line up, my heart was beating in my ears so loudly that I could hear nothing else. I remember looking up at Dyane from the front of the line with a look that said "Is this really happening?!", and she just smiled and nodded in response. True to her form and training, Nike showed like a rock star. Afterwards, I had to watch the videos that people had posted of the final line up and placements the next day because I had no idea how I'd even reacted. To this day, I am humbled by it all. What a terrific experience! Huge thanks to Dyane Baldwin for entrusting us with Nike, and also to Judge Lorraine Bisso for recognizing Nike. Congratulations to Joanne Silver and her NSS Committee for hosting a top notch NSS. Loving thanks to my husband Tom, who works hard to train our Chessies in all events but conformation, and for indulging my conformation whims. It was wonderful seeing all of our Chessie friends and meeting many new ones at this NSS and we are looking forward to seeing everyone here in Michigan at the 2022 ACC NSS, because Tom and I are on the NSS Committee. Mi Vida Loca!

## Chair Report

I would like to start off by thanking all the volunteers that worked on the 2020/2021 NSS. Close to 30 volunteers worked for 3 years to create this NSS, including a number of volunteers that stepped up during 8 days of events. It took a village, oh wait, several villages to pull this off.

While attending and supporting all the events, it was clearly evident to see you were all having a great time, from the 2 days Hunt Tests, training days, WD/X/Q, a handling Seminar, Agility, Obedience, Rally, Breed Seminar, Chris Zinc Seminar, 2 days of Conformation, Banquet with a Live Auction and State baskets, and Dock Diving. The Live Auction is always enjoyable. Mike McCarthy was fantastic and one day we are going to videotape him.

All these events were booked in 2020 and then canceled due to Covid. Grateful thanks goes to the 2021/22 NSS Team, who graciously canceled and moved the Midwest NSS from 2021 to 2022, making it possible for us to rebook 2021. I thank all that helped us coordinate, this especially Tina Camp, who helped me work on this from my hospital/rehab beds, and when I was losing it, she talked me down off the ledge.

The heat that week was unbearable, topping close to 100 each day. All were concerned about the Hunt Test/WD events. We were so fortunate to find a large building with air conditioning for the indoor events. It was a blessing. The Wyndham Hotel worked with us and made many events possible.

Our judges all thanked us for the opportunity to judge our events. They were amazed at our working ability and how beautiful the breed is. We thank them all for attending during covid.

I am going to keep this short since we have invited all the Chairs and Judges to do a little write up and I don't want to steal their thunder.

I would like to genuinely thank all that attended, especially under the restrictions of Covid. Congratulations to all who placed, won and qualified.

Check out the ACC NSS Website and FB page for lots of photos.

All be well and be safe, hope to see you all in Michigan.

Respectfully and Thankful,  
Joanne Silver  
2020/2021 NSS Chair

## Welcome Bag Summary

When I saw Joanne post on Facebook that she needed help with the NSS Welcome Bags, I thought, I can do that! A way to help from far away...

I offered, and Joanne accepted my help immediately putting me in contact with Linda Apuzzo and Karen Beste. Between us we had ideas on items, now to secure them. Many phone calls were made and many emails were sent out to various companies and organizations. My past and current work history gave me lots of contacts in the pet industry, so I contacted them and to my surprise, some agreed to send up to 250 of whatever their product was, toys, food samples, bandannas, treats, poop bags, coupons and more. To save shipping costs from my house in Florida up to NY, both Linda and Karen offered their garages to store items. The companies that donated shipped direct to them and even paid for shipping! No money was spent on the donations! That to me was amazing and so generous! Many of the companies even offered discounts for a time after the NSS to shop their site, and order directly from them. I am proud that I could help Joanne offer a nice Welcome Bag after all of the work that was done, and cancellations, rebookings, etc.

Hopefully all enjoyed the bags! If you have pictures of your dogs with the toys, treats, bandanna, bowtie, whatever, I ask that you send to me via email, Facebook, text, whatever. I am sending them all Thank You cards, and would love to include some photos with happy Chesapeake!

If coupons and/or time frame expired, contact me and I may be able to get it extended. These quality items were donated for your kids and I would love to thank them with a little extra business.

Thanks to Linda Apuzzo, Karen Beste, and also thanks to our bag stuffer helpers, Pat Krout, Karen Brown, and Hannah Brown. Hopefully I didn't forget anyone!

## Merchandise Report

It was great fun to be asked to design the logo and the merchandise for the 2021 NSS and I think that based on our sales we can assume that people liked the items we had for sale. We used Queensboro Embroidery to produce our logo items and by doing so were able to offer everything from hats to t-shirts to Carhart jackets to messenger bags and duffels. There was a price point for everyone and we sold 332 items in total. Best of all the items were made to order shipped directly to the buyer. Using Queensboro gave us the ability to offer items in all colors with either a brown or deadgrass dog on them and the artist in me pored over thread colors for both the dog and the grass to for each available color. I think lots of brown dog lovers were happy to see black and other dark colored items featuring a brown dog and similarly for the folks whose hearts belong to deadgrass dogs were happy to be able to get them on light colored items.

People loved the large size mugs and we sold all 200 of them thanks to the generosity of Todd Smith who bought all the left overs! The car magnets were a huge hit and again I had a lot of fun designing them to highlight the versatility of our dogs in the field, show ring, agility, obedience, dock diving and as an American breed. We quickly sold out of the hunting and American Breed magnets and as of today all 250 magnets that were ordered have been sold. I will be speaking to the ACC leadership about whether they would like to continue to offer the magnets for sale through the website since they are unique designs and are not available for sale anywhere.

I'd like to thank everyone who supported the club through the purchase of some merchandise particularly those outside the US who were unable to attend the show this year but still purchased items. And of course, thanks to everyone who helped me man the merchandise table, including Steve Webb, Ellie Rockpoint and Tommy & Ally Middleton. I was honored to be asked to design and manage the merchandise at the show and I hope everyone is happy with their items.

## Trophy Committee Report

As par for the course with this National, the trophy committee did not go unscathed. We had our trials and tribulations, but much like our breed, the trophy committee pushed forward with few casualties along the way.

Wednesday was always “arts and crafts” at Kim Cramer’s home. We took over occupation of her basement sometime in 2020 and did not evacuate until August 2021. If this reads like a war zone, it pretty much was central control. The Cricuit was always running, and our eyes strained as we tirelessly weeded the decals and applied them to anything and everything.

The Rosette Heads...the highlight of our committee. Huge kudos to Will Chrzanowski for that beautifully brilliant suggestion and the wine stoppers. Kim Cramer assembled the rosette heads in the shadow boxes Joanne Silver and I picked out on one of our crazy outings. Joanne found some lovely trophy items that we could zhuzh up and customize. Ellie Domek graciously donated the water buckets and Renee Wolfe helped round up stainless steel mugs and the food scoops. Let me not forget Steve Webb who unknowingly volunteered to undertake the task of the Challenge Trophies (every Chair’s headache), THANK YOU!

We would not have been able to offer the trophies we did without the financial support from member donations, thank you to all who donated. Thank you to Mark Glaspey who tolerated “arts and crafts” days and the loss of your family room. Jane Pappler, things could have gotten ugly if you didn’t help with keeping track of all the PayPal donations (small nightmare).

They say it takes a village, our village is Chessie Strong!  
Teamwork makes the dream work!

Thank you to anyone who helped this National along the way, you are truly appreciated.

Submitted by Tina Camp and Trophy Committee

## Auction Report 2021 NSS

The 2021 ACC NSS silent and live auctions were a rousing success. Silent auctions on Thursday, Friday and Saturday followed by the live auction and silent auction of the state baskets brought in an astonishing \$26,435. Breakdown is as follows

Thursday . . . . .	232.00
Friday . . . . .	828.00
Saturday . . . . .	2,250.00
State baskets/Silent Banquet . . .	3,325.00
Live Auction . . . . .	11,700.00
Subtotal . . . . .	<b>18,335.00</b>
Rescue . . . . .	8,100.00
<b>Grand total . . . . .</b>	<b>\$26,435.00</b>

This could not have been accomplished without my amazing helpers Matt and Michelle Junevitch, auctioneer Mike McCarthy, Karen Beste who chaired the State basket campaign and Pat Krout for being the organizer of the live auction items. I thank you all for taking the time to help out. Special thanks to Dr. Jim Stewart for the donation and auctioning of the lovely decoys for ACC Rescue. Most of all, I want to thank all of you who donated items and then bid on them. Without all of you, none of this is possible.

Respectfully submitted

## Judges Comments

### BISS, Dogs, Non-regular, 4-6 Beginner Puppy

#### Lorraine Bisso

I would like to thank the American Chesapeake Club for the invitation to judge the dog classes and Best of Breed at the 2021 National Specialty. I was honored knowing that a National always represents the dreams and years of work of breeders and owners, A huge thank you to your amazing show chair Joanne Silver and my excellent steward Cindy Miller who were kind and thoughtful as Hurricane Ida drew closer and closer to New Orleans the day of breed judging. The attention to detail and organization were so appreciated.

The standard is an excellent blueprint for this working retriever and defines the characteristics of this gundog, emphasizing form and function. Mentally picturing the dog working underscores these priorities in judging. Overall, the entry was within the standard for size. Bites were very good on the whole as were temperaments. There was however dogs who were, unfortunately, distinctly out of coat. Straight shoulders, lack of ribbing, and poor feet were also issues in this entry.

Best of Breed - CH Pond Hollow Sweet Victory, a beautiful, strongly made bitch of correct make, size and shape. With no one part calling attention to itself, her overall breed character, symmetry and balance carried the day. Shown in solid condition and coat, sound and efficient in her way of going both down and back as well as around, possessing a solid, strong, quiet back, she was steady, alert., and willing to do what was asked of her every time called upon. Not overdone in any way, with a good eye and intelligent expression, she is every inch a gundog and feminine.

Best of Opposite to BISS - CH Susquidilla Dark Shadows - A handsome mature brown dog of virtue. His is a beautiful head with a lovely finish to a muzzle of proper length. This dog gives an impression of quiet self-confidence and good sense. There was a smooth transition of neck to shoulder, good ribbing and balanced angles. The strong deep chest of good width, powerful hindquarters and back made it easy to picture him as a working retriever!

Select Dog -GCH Chesabars Mr Doots Mason CDX BN RE JH-Well balanced throughout and strongly made, coat and outline made this dog a standout in his non-regular class and the breed judging.

Select Bitch-CH Aridawns PH Calypso Tempest BN RN-With a strong, deep chest and ample ribbing, this lovely bitch was in great coat and moved with effortless reach and drive .demonstrating power and strength.

Best of winners to the Winners Bitch described elsewhere.

Winners Dog ...Chesamos Katahdin Spirit, from the Bred by Exhibitors Class. Presented in hard working condition and coat, balance, soundness, proportion and intelligent, alert expression are among his virtues. Shown on a loose lead, his gait was smooth, easy, and efficient.

Reserve Winners dog=Pond Hollows Don't Tread on Me from the 9-12 class. A lovely outline, good bone and substance for his age,

and certainly exhibited a bright and happy disposition! His best days are before him as he continues to mature.

The Awards of Merit recognized exhibits of different styles, but strong breed type with coat, outline, and balanced angles.

Best Brace in a class of 3 was a nicely matched, dead grass pair, of similar appearance and gait.

Ch Frostyhills Champagne Supernova CGC BN TKN and Ch Aridawn PH Calypso's Tempest BN RN

4-6 Month Beginner Puppy brought forth 2 charming youngsters. Best of Breed Beginner - Ironstone's Sweet Lightning of 3-d who held her outline beautifully for her age both standing and moving.

Best of Opposite - North Flow Electricity in Motion -his bright and happy disposition will take him places

Finally a word about the Stud Dog class! Thank you for scheduling this very important class immediately following class judging rather than after Best of Breed where it so often is, overlooked. An important reason to attend a National is to see bloodlines. The outstanding entry of 12 stud dogs represented generations of thoughtful breeding and was a joy to judge, I was very pleased as the final four winning "Families" went around the last time!!! The winner was GCH Pond Hollow Blue Ridge Rebel. Congratulations to all 12 Stud Dogs-it was a very competitive class.

## Bitch Classes

### Judge: Sue Goldberg

Firstly, my thanks to the American Chesapeake Bay Retriever Club for the honor of judging bitches at your National. I have long admired your magnificent breed and was impressed with the depth of quality which made for some difficult choices.

I was looking for the powerfully built, but not overdone, bitch who could perform equally well on land or water, carrying the correct outline with unrestricted front movement coupled with a powerful, swimming rear and a well-sprung rib cage with plenty of lung capacity; an easy goer with the balance and structure to move tirelessly on the retrieve. The ideal bitch would be wearing a protective, harsh outer coat with a slightly oily feel and a dense undercoat, and crowned with an intelligent, bright eyed expression. I sought a bitch with equal length of muzzle to skull and a strong underjaw to carry a heavy game bird.

I found what I was seeking in my Winners Bitch, Dut-Chesse to Auburn and Back, JH RN. She caught my eye from the moment she entered the Bred By class and didn't disappoint under my hand. I was delighted when she went on to Best of Winners, a well-deserved honor. My Reserve Winners, Longmeadow Butterscotch Blondie, was also a bitch any judge would be happy to have in their ring, and my 10 and Over Veteran bitch winner impressed with her beautiful easy movement belying her age, topped with a coat to die for.

As with any breed, there is always room for improvement. There were a number of open coats, lacking the necessary wooly undercoat plus some dry coats, with no evidence of an oily coating to make them impervious to harsh elements, a critical and defining breed characteristic. Also, with a nod to the COVID virus limiting socialization opportunities, after at least three unsuccessful tries, I reluctantly had to excuse some exhibits who would not allow themselves to be examined. Your Standard calls for courage and a bright and happy disposition, a challenge in these strange times, but nonetheless an area that needs attention.

Overall, I was delighted to see so many quality bitches which speaks well for the future of your breed. I thank all the exhibitors for the honor and I wish you, your dogs and your club continued success!

## Puppy Sweepstakes - August 27, Friday

Judge: Patricia Martin

I want to thank the ACC, Joanne Silver and all of you who exhibited in the National Sweepstakes. To put my hands on so many quality dogs was fantastic. What I liked most about my winners: They had the outline that said Chesapeake. Moderate dogs with good bone, coat quality, though different coat types (which is fine by me), sound movement...clean coming and going. Although we aren't a "head" breed, I saw heads that I found appealing. What I saw of concern: Some dogs lacked bone and balance was off front to rear (straight fronts and/or over angulation in the rear). A big concern for me was weak rear quarters (hocks touching or crossing). I can't tell you enough what I thrill this was for me...so again, thank you all!

## Agility

### Wednesday, August 25, 2021

The ACC NSS 2021 agility trial on August 25 at Bella Vista Training Center, Lewisberry, PA was a huge success. The trial ran smoothly and on time. We had a profit of \$795 for the ACC. No need to shout out for help, everyone stepped up to volunteer and kept things moving. There were 28 Chesapeakes entered, 26 showed and there were 25 qualifying runs. Total entry of other breeds was 257, not bad for a mid week stand alone trial. Stephanie Capkovic did an awesome job judging with nice flowing courses for our brown dogs. Many thanks to everyone who helped make it happen. I won't even begin to list names as I will surely forget someone. Every Chesapeake received a medallion commemorating the 2021 NSS at York, PA. Following is a list of all CBRS entered and those getting qualifying runs.

Thanks everyone! Nancy Miller, Trial Chair.

## New Preferred Agility Champion

### Leonidas HRCH GCH\* CH PACH3 Curly's One For Sparta BN SH MXP7 MXPS MJP7 MJPG PAX3 OFF DS CGC TKN

They say timing is everything. Leo had the honor of competing for and earning his 3rd Preferred Agility Championship (PACH3) at the American Chesapeake Club's National Show Specialty Agility Trail on August 25, 2021 at the Bella Vista Training Center in Lewisberry, PA. Congratulations to Nancy Miller and the rest of the ACC Agility Trial Committee Brad Logan, Dawn Logan, Kathy Heintel, Rob Conroy, and Jill Conroy for hosting a top-notch event. Thank you judge Stephanie Capkovic and the rest of the team at Bella Vista. It took nine months (December 3, 2020-August 25, 2021) for Leo to earn the needed 20 double qualifying scores for PACH3. True to form, Leo remained super consistent with Double Q's in 20/24 agility trials going 44/48 in master's level competition with a 92% Qualifying rate. At the same time Leo also qualified for his third consecutive AKC National Agility Championship and was invited to the AKC Agility Invitational as the #1 Preferred Chesapeake Bay Retriever for the third year in a row. Leo also competed at the Westminster Masters Agility Championship earning a Double Qualifier and a 3rd place JWW placement. Leonidas is trained and handled by Tom Martin and is owned by Tom Martin and Angela Boeske.

# Triple Crown Challenge

For the tenth consecutive NSS, we are proud to continue the tradition of the Triple Crown Challenge, started by Gina Downin. The Challenge is intended to encourage participants try new things with their dogs, and boy did they this year! We had 31 handler/dog teams meet the Challenge, reflecting the versatility of our breed.

To meet the 2021 Challenge, teams needed to place or qualify in a minimum of three different classes across two disciplines offered. The 2021 NSS offered the following sports:

Agility, Dock Diving, Obedience/Rally, Sweeps/Conformation, Chesapeake only Hunt Test/Working Dog Stakes.

The Triple Crown Committee, Lynda Barber-Wiltze, Gina Downin and myself, were very happy to present slip on collar tags to each team that completed the challenge. Congrats to the 2021 Triple Crown Challenge Award Recipients.

## WD/X/Q Results

The WDXQ Working Certificate Tests were sandwiched in the middle of the week long activities with the ACC National Show. It was a hot Tuesday, Aug 24, at 94 degrees and very humid. Our original chairperson Julie Reardon had to step down with health issues so I volunteered to setup to chair at the last minute. It was many hours of late nights, hundreds of emails and a hectic two months to get organized for the large entry. There were 98 entries with 88 of those starting and 61 total passing. A lot of wet dogs and really good work by dogs and the handlers. Thanks to Lynn Yelton and Jeff Lyons for the use of their beautiful property, Rebel Ridge Farms, in Elkton, MD. I went with 8 judges to make sure we could get everyone in. Our WDX was finished by 11 am, the WD about 1 pm and the WDQ by 3:15 pm.

We had no hired help/bird boys so everything was on a volunteer basis from the people running their dogs. Thanks to all the marshals, gunners, bird throws and runners who helped. It's up to everyone entered to take a turn if you want to run your dog and make it happen. Thanks to Teresa Tebbens who brought all the equipment and managed the WD (and she wasn't running any dogs). Frank Pittelli brought his 4-wheeler and ran equipment/birds at the WDX. I would have been lost without Jerry Succi and Warren Risk. They brought their club's equipment trailer to cover the WDX and WDQ. They both and Ken Lee came Monday night and helped setup. Jerry and Warren manned every position at the WDQ and had totally sweat soaked white shirts on all day. Chris and Karen Beste picked-up, packed & distributed 65 lunches which we offered to everyone who helped in any way. Thanks to Bev Mathias who brought all the drinks and ice. Kim Cramer brought me 8 clipboards! Linda Apuzzo helped with ribbons and awards. I can't forget Lois Wida who took a turn planting the water blind and had no dogs running. Sue Aygarn marshalled and ran the Kubota when needed.

The Judges - where would we be without them donating their whole day for our Chesapeakes. WD Land-Dawn Boyce and Dawn Romanczak, WDX Land-Dora Heffelfinger and Ginny Reed, WDX Water-Mario Cilia and Betty Dust, WDQ-Joe Romanczak and Gary Boyce. Here are comments from two of our judges---From the WDQ-Gary Boyce: What a Great day. Enjoyed visiting with old friends and judging some very nice working dogs. Thanks for the opportunity to be a part of the test. From the WD: Dawn Boyce - What a fun day! Loved watching the dogs figure it all out. Great looking dogs with lots of drive! I was Impressed with their willingness to tackle a feisty cripple! A special Thanks to Teresa Tebbens for her excellent help all day. Also our shooter was amazing! Thanks for allowing me to judge for you. Keep Up the good work with our brown dogs!

Below are the dogs who qualified and some of their photos. Visit the show website, WDXQ page, to view the complete catalog of dogs entered, results and any additional photos. Congratulations everyone on all the new titles! WDXQ Event Chairman, Jane Pappler <https://amchessieclub.org/specialties2/show21pennsylvania/index.htm>

# National Specialty Hunt

## ACC 2021 NATIONAL SPECIALTY HUNT August 21-22, 2021– Elkton, MD

On August 21-22, 2021 the American Chesapeake Club Show Specialty held a Hunt test in conjunction with it's show specialty. The Hunt Test was held at Rebel Ridge in Elkton Maryland. The Hunt Test Chairman was Michael L. Moscovitz, Hunt Test Secretary was Todd Smith.

There were 104 total dogs entered, 62 males and 42 females. The youngest dog 2/18/2021 and the oldest 6/23/2010. 29 chessies ran the master stake, 15 chessies ran the senior stake, 31 chessies ran the Saturday junior stake and 29 ran the Sunday junior stake. 11 Chessies passed the master stake, 8 chessies passed senior stake, 21 chessies passed the Saturday Junior stake and 15 passed the Sunday junior stake.

As the Hunt Test Chairman it is hard to say whether the Hunt Test was a success or not. Only the competitors can give that assessment. The success of this Hunt Test Specialty will only depend on whether this continues at all the Show Specialties. So hopefully at the 2023 Show Specialty there is a Hunt Test Specialty. Credit should be given to Dan Epperson the father of the Hunt Test Specialty. He ran one in Oregon and from there the idea took on a life of itself. Hopefully Michigan sponsors an all chessie breed hunt test.
